Fort Saint George, Revenue Consultation of 15*th June* 1858.

No. 10. Read the following Extract from the Proceedings of the Board of Revenue; dated 7th May 1858, No. 1636.

In Cons. 7th May 1858. Read letter from the Collector of Salem, dated 24th February 1858, shewing the alterations proposed in the Moyenzabitah of his District to meet the expenses of the Press Establishment.

(Here enter No. 15.)

Resolved that the foregoing letter and its accompaniment be submitted for the orders of the *In Cons. 12th Nov.* 1857. Right Honorable the Governor in Council, with reference to Extract Minutes Consultation, dated 10th Nov. 1857, R. D., No. 1143.

2. The Collector having complied with the requirement of Government, that the reductions should be effected in those departments which the press saves from labour, the Board resolve to submit his present proposition for sanction.

3. It will be seen that the Collector intends to serve for contingent expenses the sums received from the Courts and other Departments, for work done on their account.

16th Sept. 1856, *R. D. No.* 990, *C. O. Book*, 1856, *p.* 92.
19th March in Con. 8th April 1857, *R. D. No.* 271.

3. In the Minutes of Consultation noted in the margin, the Government ruled that a balance should be reserved from the pay of the reduced Establishment to meet contingent expenses. A less stringent stipulation might however, the Board think, be required in this case. The Collector has provided entirely for the new press Establishment out of his own Moyenzabitah, and intends to pay the contingencies out of the income of the Press. This might be allowed on the understanding that if, after experiment, it is found that the press receipts do not cover the contingent expenses, Mr. Brett will make a further reduction in his Establishment in order to provide for the deficiency.

(A true Extract.)

The Right Honorable the Governor in Council sanctions the alterations proposed in the Salem Moyenzabitah to meet the charges of the Press Establishment.

2.
