Fort Saint George, Revenue Consultation of 15th June 1858.

No. 23. Read the following Remarks of the Board of Revenue on the following Report on lapsed Enams, dated 1st May 1858, No. 1575.

From the Acting Collector of Madura, dated 9th January 1858.

In Con. 1st May 1858. These Enams have been held as Punchangum grants of the former Government since the cession of the district to the British Government, and as they were transmitted to the late incumbent from his grand-father, in whose name they were registered so far back as 1802-3, and as the nephew of deceased (his sister's son)—the only surviving member of the family—is now performing the Punchangum service by means of a Deputy, for the benefit of the village community, the Board recommend the renewal of these grants in his favour.

(By Order.)

(Signed) G. S. FORBES, *Secretary.*

No. 24. ORDER THEREON, No. 792; dated 10th June 1858.

The Government observe that in the case of the Enams under notice, the direct line of descent has ceased, and the last holder has left no relation but his sister's son; this individual being a Vakeel in the Civil Court, and having other landed property, can have no claims on the score of poverty. The Enams will therefore be resumed.

(Signed) W. H. BAYLEY,
Acting Secretary to Government.

Panchángam Inâms.

Up to March 1858, only one of these cases seems to have been brought to the notice of Govt. or on the death of the incumbent of the Panchángi Inâmyam of Sidhout, in Cuddapa, it was continued "being hereditary," to Appâ Jôsi the son of the deceased.

I regret that having accidentally omitted to record the date of this order in my list of cases, I am unable to furnish any further particulars than the above: but to the best of my belief the Sabalar Statement if there was

one / was not sent up to Govt.
The Board of Revenue merely stated
that the Panchaiyat had
died, and recommended that
the Inamdars should be con-
tinued this Lon. and the order
of Govt was recorded on the back
of the Boards Proceedings. There
is such an immense mass of
papers connected with the Inams
that it will be a work of time
to look up this one; but I will
have it done as soon as possible
if required. 4/892

2. The reason that more cases
of this nature have not come
up to Govt is, I suppose, that Collectors
have disposed of them under
Act II of 1881, and not referred
them to higher authority at all.

3. In March 1858 the Govt passed
orders upon a Petition from
two individuals in Tinnevelly;
who protested against an order
of the Collector depriving them of
certain Panchayam Inam lands
which had been mortgaged

to them.

The Collector was required to
pass a decision on the merits of
the case in proper judicial form.
under Reg VI of 1831 § 6.
