2. In the Tabular Report of the Acting Collector, the Enam land held by the deceased incumbent was by mistake, entered at Cawnies $12\frac{1}{16}$. The exact extent is now stated to be Cawnies 12-2-0.

No. 61. ORDER THEREON, No. 811; dated 12th June 1858.

In these Proceedings the Board of Revenue bring to the notice of Government that the extent of the Inám in the Madura district, the resumption of which was sanctioned in Extract Minutes Consultation No. 404, R. D., dated 27th March 1858, was erroneously stated in that order.

2. The extent there given, the Government observe, was $12\frac{1}{16}$ Cawnies.* From the Acting Collector's letter it now appears that the true extent of the Inám is $12\frac{1}{32}$ sixteenths of a Cawnie. The requisite correction may be made in the former order.

3. The Board have quite mistaken the quantity entered in the Acting Collector's letter, and proposed that the former error shall give place to a still greater one.† If they would insist upon the designation of the items which figures are intended to express, being invariably specified, these complications could not occur. The Acting Collector's letter as it stands is unintelligible to any one who does not happen to be acquainted with the local land measures of his district; and the Board will be good enough to refer Mr. Hathaway to the order noted in the margin.

Main in the Madura dis-
trict, the Collector states, and which
was sanctioned in C. Allen's
Con. dy 404. R. D. of 27 March
1858, was erroneously stated
in that order.

The Extent there given as the
Govt Assessment, was 12 1/2 16 Cawnies
From the Acting Collectors
letter it now appears that the
true Extent of the Main is
12 1/32 Cawnies

3. The Bd have quite mistaken
the quantity entered in the Ky.
Collectors letter, and proposed
that the former Ests shall give
place to a still greater one. *
they would insist upon
the designation of the items
which figures are intended
to represent, being invariably
specified stated, in letters
from the Provinces here con-
-plications could not occur.
The Ky. Collectors letter as it
stands, is perfectly unintelligible
to any one who does not happen
to be acquainted with the
local land measures of his
District; and the Board
will be good enough before
proceeding to the order
noted in the margin.
