Fort Saint George, Revenue Consultation of 22d June 1858.

No. 4. Read the following letter from Major H. S. THUILLIER, Superintendent Mathematical Instrument Department; to the Secretary to Government of Madras; dated Calcutta 2d June 1858, No. 111.

SIR,

In continuation of my letter No. 97, of the 3rd Ultimo, and in further compliance with the requisition for Instruments contained in letter No. 7154, dated the 19th March last, received from the Inspector General of Ordnance and Magazines, Fort William, I have the honor to advise you of the despatch to your address carefully packed care of Steam Agent, Madras, per P. and O. Company's Steamer "Bentinck" starting on the 4th Proximo, of the following.

2. Cross Staves Wooden.

These have been forwarded as patterns to enable the Survey authorities at Madras to have similar ones made up, as they are very simple in their construction and any Ordinary Carpenter could easily make them up in any number, I have deemed this necessary in order to save expense to Government in Steam Freight, which is very high, and in the present instance is infinitely more than the value of the Instruments,

2nd. I have also thought it unnecessary to supply Flag Staves which are included on the Indent, such articles are generally made up by Surveyors themselves, materials for which being found in almost every village or town, it would therefore be an useless expense to send them from hence to Madras.

I solicit the favor of your causing the return of the enclosed Receipt after signature.

No. 5. ORDER THEREON, No. 828; dated 16th June 1858.

Ordered to be communicated to the Director of Revenue Settlement, in continuation of the orders of Government No. 642 of the 18th May.

2. The parcel alluded to in the above letter containing 2 cross Staves wooden as patterns was received from the Sea Custom Office and it will be forwarded to the Principal Commissary of Ordnance to be lodged in the Arsenal, and the Inspector General of Ordnance will be requested to order their delivery to Captain Priestley on his application.

3. Ordered also that the receipts in Duplicate received with the foregoing letter be forwarded to the Inspector General of Ordnance and Magazines to be dealt with in the manner pointed out in para. 2 of Extract Minutes Consultation No. 601 of the 6th May.

4. With respect to the construction of wooden cross staves and flag staves, the attention of the Director of Revenue Settlement is drawn to paras. 2 and 3 of the letter above recorded.

(Signed) W. H. BAYLEY,
Acting Secretary to Government.
