Fort Saint George, Revenue Consultation of 2d July 1858.

No. 1. Read the following letter from J. L. LUSHINGTON, Esq., Acting Civil Auditor; to W. H. BAYLEY, Esq., Acting Secretary to the Government Revenue Department; dated Fort St. George, 8th June 1858, No. 71.

SIR,

I have the honor to request that you will at your earliest convenience, obtain for me the instructions of the Right Honorable the Governor in Council on the following two points.

1st. On the 9th of May last the office of additional Sub-Collector created under Extract Minutes of Consultation dated 12th January 1856, for a period of 2 years ceased. Messrs. Arbuthnot and Co. the Agents of Mr. Pauncefote who stands appointed to that office, have presented for audit an Abstract for absentee allowance up to the end of May last equivalent to a moiety of his salary, as additional Sub-Collector, in accordance with the rules for officers absent on sick leave in England; but as the appointment of additional Sub-Collector ceased on the above date, I request that I may be informed what rate of allowance is to be passed to Mr. Pauncefote. By the rules, it would appear that Mr. Pauncefote is entitled to draw out of employ allowance only according to his Rank.

2. The Establishment sanctioned for the additional Sub-Collector's office in the order of Government above quoted was entertained to 12th January 1856 only tho' the appointment of the additional Sub-Collector had effect from the 10th May 1856 but on the transfer of Mr. Banbury, the Acting additional sub-Collector, from the North Arcot District to the Department of Revenue Settlement, the Collector of North Arcot assumed charge of the Establishment after reducing it to Rupees 162-10-8 on this point also I solicit the orders of Government as to whether the Collector may retain that Establishment after the expiry of the term sanctioned viz., June 1858.

No. 2. ORDER THEREON, No. 865; dated 23rd June 1858.

From Government of India 8th Dec. 1855.

Para. 1. The Government observe that the authority of the Government of India was obtained for the employment of an additional Sub-Collector in North Arcot, for the period of two years, for the revision of the assessment in that District. Mr. Pauncefote was appointed to this duty on the 10th May 1856, and the period for which the office was to continue having expired on the 10th May 1858, the appointment virtually ceased from that date. Mr. Pauncefote can therefore only claim the out of employ allowance of his rank from the above date, and this may be paid to his Agents Messrs. Arbuthnot and Co.

2. As regards the establishment allowed for the revision of the assessment in North Arcot the Government have passed separate orders on a letter from the Board of Revenue dated 20th May 1858, which on communication to the office of audit will dispose of that part of the question.

(Signed) W. H. BAYLEY,
Acting Secretary to Government.
