Fort Saint George, Revenue Consultation of 2d July 1858.

No. 22. Read the following letter from H. NEWILL, Esq., Director of Revenue Settlement; to W. H. BAYLEY, Esq., Acting Secretary to Government, Revenue Department; dated Madras, 28th May 1858, No. 268.

SIR,

Para. 1. Referring to para. 4 of letter of the Deputy Surveyor General of India, to the Secretary to Government of India dated 26th March 1858, No. 682, contained in Extract Minutes Consultation under date 20th Instant, No. 668, and in which it is stated that certain papers of the Surveyor General's Office relating to the Rajahmundry and Masulipatam Districts, specially applied for in the correspondence noted in the margin, have been included in the transcripts recently sent from Calcutta and committed to the custody of the Chief Engineer in Extract Minutes Consultation under date 17th March last, I have the honor to state, that I requested the Chief Engineer to search for the papers in question, which are now urgently needed for the Survey operations commencing in Rajahmundry, and that the result is, as described in the annexed copy of Colonel Faber's letter of 27th Instant, that none of the papers particularized in the list which accompanied the original application made in my letter of 7th November 1857, are found to be among those received from Calcutta, and that "neither can a vestige of any other papers relating to Rajahmundry and Masulipatam, be discovered" though "the whole records have been more than once, very carefully examined."

From the Director of Revenue Settlement to Acting Secretary to Government 7th November 1857, *No.* 53, *paras.* 7 *to* 9.

Do. Acting Secretary to Government to Secretary to Government of India No. 1230 *27th November* 1857, *para.* 2.

2. As some misunderstanding exists with regard to these papers, and it is very important that they should at once be made available for the purposes of the Revenue Survey, I would suggest that a further reference should be made to Major Thuillier on the subject.

From Colonel C. E. FABER, Chief Engineer, D. P. W.; to H. NEWILL, Esq., Director of Revenue Settlement; dated Fort Saint George, 27th May 1858, No. 270.

SIR,

I have had the honor to receive on the 25th, your communication No. 246 of the 22d Instant, and in reply I now beg to state, that none of the papers particularized in the list to which your letter gave cover, are among records recently received from Calcutta and forwarded to this Office with Extract Minutes of Consultation, No. 345, of the 17th March last; the whole of them having been more than once, very carefully re-examined.

Neither can a vestige of any other papers relating to Rajahmundry and Masulipatam, be discovered.

(True Copy.)
(Signed) H. NEWILL,
Director of Revenue Settlement.

Ordered in consequence that the following letter be despatched.

No. 23. From W. H. BAYLEY, Esq., Acting Secretary to the Government of Fort Saint George; to the Secretary to the Government of India in the Military Department; dated 25th June 1858, No. 876.
