Fort Saint George, Revenue Consultation of 2d July 1858.

No. 88. Read the following letter from C. PELLY, Esq., Collector of Bellary; to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George; dated Bellary 15th June 1858, No. 34.

SIR,

1. I have the honor to report that a Telegram was received in November last by the Commissariat Department at Bellary for the immediate supply of Carts for the use of the 49th Regiment N. I. ordered to march from Kurnool, and on the requisition of Captain G. D. Pollard, late in charge Commissariat Department, dated 7th and 10th of November last, I issued emergent orders to the Tahsildars of the talooks nearest Kurnool to send bandies to the Officer Commanding the 49th Regiment N. I. This was done accordingly, and advances of money to the Cartmen were made by the Tahsildars from the funds at their disposal; of the Carts impressed a portion only was availed of by the Regiment; some were refused as unfit, and several did not reach Kurnool till after the departure of the Regiment, and therefore returned. I beg to annex a statement shewing the number of bandies supplied by the Tahsildars, the amount of money advanced to the Cartmen, the amount repaid by the Commanding Officer, and the amount remaining due.

Talook.	Bandies supplied.		Bandies taken by the Regiment.		Bandies not taken up.		Of which amount recovered by the Tahsildars.
	No.	Amount advanced.	No.	Amount of advance repaid.	No.	Amount of advance to be recovered.	
Adony Tahsildar...	21	42	19	38	2	4	...
Punchapolliem do...	11	22	...	...	11	22	22
Yadkee do...	68	68	46	...	22	68	22
Tadputry...	30	60	...	...	30	60	...
	130	192	65	38	65	154	44

2. Of the 21 bandies sent from Adony 19 were taken and the money advanced to them was repaid, the advance made to other bandies has yet to be recovered, the 11 bandies sent by the Tahsildar of Punchapolliem returned, having reached Kurnool after the departure of the Regiment, the amount advanced to the Cartmen was however improperly recovered. The Tahsildar of Yadkee talook supplied 68 bandies of which 46 were taken, and the remaining 22 have returned. The advance made to these 22 Carts has been recovered improperly by the Tahsildar, but that to the former is still due, viz., Rupees 46. The Police Ameen at Kurnool has sent in a receipt showing that he took charge of these bandies and made them over to the Regiment; consequently, I requested the Officiating Agent at Kurnool to get the said sum of 46 Rs. from the Officer Commanding the Regiment and to remit the same to my Office.

3. In the letter received from the Commanding Officer in reply to the Officiating Agent's letter regarding this, he states that his Regiment have settled with the Cartmen, and further wishes to know by what rules this sum of money has been demanded, so that he may if necessary bring it to the consideration of higher authorities. The Cartmen might claim half hire from the place of their despatch to Kurnool, the distance they went with empty bandies, so this hire for the said 46 bandies for the distance of 70 miles would amount to Rupees 140-14-0 at Rupees 3-1-0 per bandy calculated at 7 annas per bandy per 10 miles; but this amount is greater than the sum actually advanced to the said 46 Cartmen, and which advance they are clearly entitled to keep. The Commanding Officer has, it appears, repaid the sum of money, viz., Rupees 38 advanced to the 19 Carts availed of from those sent by the Adony Tahsildar, but declines paying the demand now made for this 46 Rupees.

4. The 30 bandies sent from Tadpatry talook have also returned as they reached Kurnool after the departure of the Regiment. The amount Rupees 60 advanced to them by the Tahsildar is still to be accounted for. The half hire from Tadputry to Kurnool which is 90 miles would amount to Rupees 118-2-0.

5. The amount 44 Rupees recovered from the returned bandies of Punchapolliem and Yadakee, should I think be returned to them for the expences incurred by them on their way to Kurnool, as they were necessitated to leave their occupation and dwelling places at the pressure of Government, and I have therefore the honor to request that the Government will be pleased to sanction the amount of Rupees 154 as shewn in the foregoing abstract, being charged in the public accounts for the purpose of crediting to advances, the amount of Rupees 110 already paid to the Cartmen, and for reimbursing the sum of 44 Rupees improperly recovered by the Tahsildars of Punchapolliem and Yadakee.

6. The hire of Carts sent from a distance is payable by Government and not by the Sepoy. The demand at the time for Carts was urgent and pressing, and the Tahsildars responded to it with alacrity but no doubt the Cartmen did not. They had to be taken and sent, and not being from the Head Quarters of the District, the same regularity generally observed in registering and sending of Carts could not, on the emergency, be so fully observed; and a considerable delay, occasioned by several references in adjusting this demand, has arisen. But as it seems to me that the Cartmen are fairly entitled to the remuneration of the advance at least, made to them for the journey to Kurnool, and that this sum is properly payable by Government, I have the honor to request the sanction of Government for the sum of 154 Rupees.

Sir,

I have the honor to report that a Telegram was received in Kurnool last by the Commissariat Department at Bellary for the immediate supply of Carts for the use of the 49th Regiment ordered to march from Kurnool and on the Requisition of Captain G. D. Pearl, late in charge Commissariat Department, dated 7th and 10th of Novr last, I issued emergent orders to the Tahsildars of the Talooks nearest Kurnool to send bandies to the Officer Commanding the 49th Regiment N. I. This was done accordingly, and advances of money to the Cartmen were made by the Tahsildars from the funds at their disposal

of the carts impressed a portion only was remitted of by the Regiment some refused as unfit, and several were not heard from till after the departure of the Regiment and therefore returned. I beg to annex a Statement shewing the number of bandies supplied by the Tahsildar, the amount of money advanced to the Cartmen, the amount repaid by the Commanding Officer and the Amount remaining due.

Talook.	Bandies Supplied by the Tahsildar.	Amount advanced Rs.	Bandies taken by the Regiment.	Amount for hire paid. Rs.	Bandies not taken Rs.	Amount for hire thereof Rs.	Amount recovered by the Tahsildar

Of the 21 Bandies sent from Adoney
were taken and the money advanced to
them was repaid. the advance made
for other bandies has yet to be recovered.
The 11 bandies sent by the Tahsildar of
Shikarpoor returned, having
refused to take the Regiment
on account of the
Amount recovered by the Tahsildar

of the Regiment. the Amount advanced to the Cartmen was however improperly recovered. The Tahsildar of Gadag Talook supplied 68 bandies of which 46 were taken, and the remaining 22 have returned. The advance made to these 22 Carts has been recovered improperly by the Tahsildar, but that to the former is still due Viz: Rs. 46 — The Police Ameen at Gurnool has sent in a Receipt showing that he took charge of these bandies and made them over to the Regiment, consequently I requested the Officiating Agent at Gurnool to get the said sum of 46 Rs. from the Officer Commanding the Regt. to remit the same to my Office.

3 In the letter received from the Commanding Officer in reply to the Offg. Agents letter regarding this, he states that his Regiment have settled with the Cartmen and further wishes to know by what Rules this sum of money has been demanded, so that he may if necessary bring it to the consideration of

Higher Authorities. The Cartmen might claim half hire from the place of their despatch to Kurnool, the distance they went with empty handies. So this hire for the said 46 handies for the distance of 70 Miles would amount to Rs: 140-14-- at Rs: 3-1-- per handy calculated at 7 annas per handy per 10 Miles. but this amount is greater than the sum actually advanced to the said 46 Cartmen. and which advance they are clearly entitled to keep. The Commanding Officer has, it appears, repaid the sum of money Viz: Rs: 38 advanced to the 19 carts availed of from those sent by the Adony Sahsildar, but declines paying the demand now made for this 46 Rupees.

4 The 30 handies sent from Sadpat by Sahook have also returned as they reached Kurnool after the departure of the Regiment. The amount Rs: 60. advanced to them by the Sahsildar is still to be accounted for

for. The half hire from Sadpat by to Kurnool which is 90 Miles would amount to Rs: 118-2-- 117/5/2

5 The Amount 46 Rupees recovered from the returned handies of Punchapallem and Gadakee should I think be returned to them for the expences incurred by them on their way to Kurnool. as they were necessitated to leave their occupation and dwelling places at the pressure of Government. and I have therefore the honor to request that the Government will be pleased to sanction the amount of Rs: 152 as shewn in the foregoing Abstract, being charged in the Public accounts for the purpose of crediting to Advances the Amount of Rs: 110 already paid to the Cartmen and for reimbursing the sum of 46 Rs: improperly recovered by the Sahsildars of Punchapallem and Gadakee

6 The hire of Carts sent from a distance is payable by Government

and not by the Sepoy. The demand at the time for Carts was urgent and pressing, and the Tahsildar responded to it with alacrity - but no doubt the Cartmen did not. They had to be taken and sent, and not being from the Head Quarters of the District, the same regularity generally observed in registering and sending of Carts could not on the emergency be so fully observed; and a considerable delay, occasioned by several references in adjusting this demand, has arisen. But as it seems true that the Cartmen are fairly entitled to the remuneration of the advance at least, made to them for the journey to Burmah, and that this sum is properly payable by Govt., I have the honor to request the sanction of Government for the sum of 154 Rupees.

I have the honor to be
