This Enam has recently been reported upon to Government; and as no mention was made in the Enayetnamah that it was given in perpetuity, it was held to be resumable, but in consideration of the family having no other means of subsistance, a moiety of the lapsed share was continued as a life grant. On the same grounds the Board now concur with the Collector in recommending that one half of the share held by the deceased, or Rupees 83-5-3 per annum, be continued to his first son Mohomed Ali, to lapse finally at his death. The other half share will be resumed.

(By Order.)
