Fort Saint George, Revenue Consultation of 20th July 1858.

No. 7. Read the following letter from J. D. SIM, Esq., Sub-Secretary to the Board of Revenue; to W. H. BAYLEY, Esq., Acting Secretary to Government R. D. dated Fort St. George, 30th June 1858, No. 2249.

SIR,

Petition No. 1472 *of* 1858. With reference to that part of the Endorsement of Government on the accompanying Petition which calls for an explanation of the delay which has occurred in the case, I am directed to state that the Orders of Government dated 16th May 1857, were received in the Board's Office on the 18th idem and were forwarded to the Collector of Salem with the Petition and an Endorsement from the Board on the 3rd June 1857.

In Cons. 27th May 1858. 2. The Collector's report dated 13th May 1858, was received by the Board on the 17th and laid before Government on the 27th idem. The delay in the Board's Office thus extends, (excluding the days of receipt and despatch) to 15 days on the first occasion, and eight on the second. The Board trust that Government will not deem this inordinate, when the pressure of business in their Office is considered.

In Cons. 22nd June 1858. 3. The Collector is responsible for the rest of the delay which has occurred, but as the case was finally disposed of in Extract Minutes Consultation, dated 11th Instant, No. 814, R. D., the Government may perhaps think it unnecessary to call upon him now for an explanation.

No. 8. ORDER THEREON, No. 963; dated 14th July 1858.

The Government will not press for further explanation in the present instance, as the Petition has been finally disposed of; but they desire that in future when such delay occurs the Board will explain in reporting on the case, how it arose.

(Signed) T. PYCROFT,
Chief Secretary.
