Fort Saint George, Revenue Consultation of 20th July 1858.

No. 53. Read the following Extract from the Minutes of Consultation in the Financial Department under date the 10th July 1858, No. 472.

Read the following letter from C. HUGH LUSHINGTON, Esq., Secretary to the Government of India; to the Chief Secretary to Government, Fort Saint George, dated 14th June 1858, No. 3227.

SIR,

I am directed to acknowledge the receipt of your letter, No. 310, dated 30th April 1858, with enclosure, inquiring with reference to the Resolution of this Government on the subject of the new Department of Account and Audit, whether it is intended that the Civil Auditor at Madras shall continue to discharge the duties of Superintendent of Stamps, and, if so, whether any and what addition is to be made to the salary of the Civil Auditor, present or prospective, in consequence.

2. Before passing orders on the subject, the Honorable the President in Council requests that this Government may be informed whether there would be any objection to placing the Stamps and Stationery Offices in the hand of the Collector of Madras, (whose office, His Honor in Council believes, is a very easy one,) by giving him a native officer to take immediate charge of the Stamps and an Assistant to conduct under the Collector's superintendence the work of the Stationery Office.

3. His Honor in Council further desires to be informed what the labours and responsibilities connected with Stamps and Stationery in Madras are.

---

1. Resolved, that the foregoing letter be referred through the Revenue Department to the Board of Revenue for the information required as to the labor and responsibility connected with Stamps, and their opinion on the proposal to place that Department under the Collector of Madras. Should the Board approve of this proposal, they will be so good as to state what arrangements they would suggest for carrying it out.

2. That part of the proposition of the Government of India, which relates to the Stationery Office will be referred to the Inspector General of Ordnance for his opinion and for the information required regarding it.
