No. 57. Read the following Extract from the Proceedings of the Board of Revenue, dated 2d July 1858, No. 2286.

Dated 24th June in Cons. 2d July 1858. Read letter from the Collector of Cuddapah, reporting the measures he intends adopting for the supply of Carts, &c., on the requisition of the Officer Commanding 30th Regiment N. I.

(Here enter No. 62.)

Resolved that the above recorded letter be submitted for the information of the Right Honorable the Governor in Council.

2. Under the circumstances stated by Mr. Murray, the Board consider the rate of hire he proposes forth epressed carriages, viz. Rupees 1-4-0 per 10 miles, and which is stated to be only one-fourth more than the usual District rate, not excessive. As a further inducement to owners of bandies to engage themselves, the Collector might advance half the hire, making a report of the same to the Officer, on whose requisition the carts may be supplied.

3. With reference to the impressment of village Washermen and Toddy-drawers (who may have at any time carried palankeens) as Dooly-bearers, the Board do not see how this can be avoided, if no regular bearers are to be had; but the Collector ought to make the measure as little oppressive as possible, and an advance on the ordinary rate of hire should be allowed.

In Cons. 11th May 1858. Mr Murray's attention will, at the same time, be called to para. 6 of Extract Minutes Consultation 27th April 1858, No. 533, R. D., with reference to his expressed intention of re-engaging the Carts which accompany the 30th Regiment.

4. The Board request that instructions may be issued in the Military Department, directing Officers in command of Troops on the march, to forward an indent to the Collector, shewing the supplies they will require.
