No. 65. ORDER THEREON, No. 993 ; dated 20th July 1858.

From Chief Engineer dated 4th Sept. 1857, No. 3480.
Ex. Mins. Cons. P. W. D. 21st Oct. 1857, No. 1978, para. 6.
,, R. D. 20th March 1858, No. 362.
* *Dated 20th May 1858.*

The locality of the present Travellers' bungalow at Caroor was represented to be extremely unhealthy, and the Government requested to be supplied with a statement of any known facts regarding the prevalence of disease at the place. Such particular information is not furnished. On the other hand, the Sub-Collector of the District states in his communication*, now submitted by the Board of Revenue, that on further enquiry he has not found that Cholera, when prevalent in the town generally, is more virulent in the locality under notice. The Governor in Council does not therefore deem it necessary to reconstruct the building at a separate spot. The Joint Magistrate will however, as already ordered in para. 4 of Extract Minutes Consultation in the Public Works Department dated 28th January 1858, No. 163, always pay particular attention to the sanitary condition of the immediate neighbourhood of the bungalow.

Chief Secretary.
