No 13 + 14

Dated 4 — 1 — 1859

No. 24. Minute by the Right Honorable the President.

It has been suggested to me, that it would be of important advantage to the Enam Commissioner if he were permitted the opportunity of personally communicating with the Members of the Enam Commission in Bombay, and that he would have more in a few interviews with them as to the measures to be adopted and the errors to be avoided, than any lengthened study of their printed papers would afford; I therefore beg to propose that Mr. G. N. Taylor be authorized to proceed to Bombay by the first packet of next month.

December 30, 1858. (Signed) HARRIS.
