No 16

Dated 5-1-1859.

Fort Saint George, Revenue Consultation of 11th January 1859.

No. 3. Read the following Extract from the Proceedings of the Board of Revenue, dated 11th December 1858, No. 4594.

Read again letter from the Collector of Kurnool, dated 23rd September 1858, No. 115, forwarding Statement of Compensation and Remissions granted to Ryots and Inamdars for losses occasioned by the encampment on their lands of Brigadier Whitlock's moveable Column.

(In Con. 12th October 1858, No. 4403.)

Read also letter from the same Officer, dated 16th November 1858, No. 131, affording the further information called for regarding the subject of the above recorded letter.

(In Con. 11th December 1858, No. 5277.)

Resolved, that the foregoing communications be submitted for the orders of Government with the recommendation of the Board of Revenue that the compensation and remissions shewn therein to have been granted to certain Ryots and Inamdars in the Kurnool District for losses occasioned by the encampment on their lands of Brigadier Whitlock's moveable Column, be sanctioned.

2. In a previous letter from the then Officiating Agent and the Board's Proceedings on it, the circumstance under which the losses were unavoidable and the principle upon which the compensation was proposed to be apportioned were explained, and Government in authorizing (Extract Minutes Consultation, in the Revenue Department In Con. 22nd December 1857. No. 1321, dated 18th December 1857,) the payments directed that a Statement of the same should be submitted for final sanction.

3. In the Statement now furnished by the Collector the losses which occurred in eight villages of the Goodoor talook, and the compensation granted for them are detailed, and the following is an Abstract of the same :—

	Land.	Assessment	Expense of Cultivation.	Loss of produce.	Total of Columns 2, 3 and 4.	Remission granted.	Compensation paid.	Total of Columns 6 and 7.

4. As shewn above the total amount of compensation granted was Rupees 1,348-1-10, consisting of payments in money to the extent of Rupees 941-3-8 and of an aggregate remission of Rupees 406-14-2.

5. From the Collector's second letter recorded above, it appears that the expenses of cultivation were estimated at 12 Annas per Acre for Regud Massub and wet and garden lands, and 8 Annas for red soil; and that the loss of produce per Acre was calculated at 10, 8 and 4 Annas, respectively, for the first, second, and fourth classes of land, and 3 Rupees for garden and wet land. On what data these calculations were based, is not stated.

6. In the concluding para. of his first letter Mr. Arbuthnott states that six other villages besides those shewn in the Statement suffered losses, from the same cause, and that in two of them a remission of Rupees 33-11-3 has been granted and in the rest a similar consideration to the extent of Rupees 34-10-1 as to be shewn.

7. The Collector is requested to furnish a supplemental Statement of the remissions referred to in the preceding para. for the sanction of Government. He will also explain more fully how the calculations referred to in para. 5 were made.
