No 31

Intro 10 — 1 — 1859

Fort Saint George, Revenue Consultation of 11th January 1859.

No. 31. Read the following Remarks of the Board of Revenue, dated 15th December 1858, on a Tabular Report on a Lapsed Pension, No. 4629.

From the Collector of Masulipatam, 11th Nov. in Con. 15th December 1858, No. 5223.

The pension referred to in the above Tabular Statement was originally granted, in 1779, to Baubee List in letter from Government 14th in Con. 16th March 1795, R. D. No. — Saheba, widow of the eldest brother of Nawab Hussen Ali Khan, out of the sum allowed by Government in lieu of a resumed Jaghire for the maintenance of the Nawab's relatives and dependants.

2. After the widow's death her pension was continued to her son, and after him to her grandson Meer Purveish Ali, now deceased, under the sanction conveyed in the Board's letter to the Collector, dated 21st June 1824.

3. By a private arrangement, the stipend was equally shared between the deceased and his brother; and after the death of the latter, his share was continued by the uncle to his son Meer Momeen Ali.

4. The family of the deceased consists of a son and grand-daughter, that of the other half sharer Meer Momeen Ali consists of a mother, a wife and two children.

5. These persons are descendants of the original grantee in the male line, and as they appear to have no other means of subsistence, the Board concur with the Collector in recommending the grant of Rupees 30 per mensem out of the lapsed pension of Rupees 41-15, to Meer Saduck Hussain, alias Meer Padshaw, from the date of his father's death, viz. 18th April 1858, to be shared as heretofore with his cousin Meer Momeen Ali, and on the understanding that he will continue the allowance of one Rupee per mensem hitherto enjoyed by the unmarried grand-daughter of the deceased. The remaining portion of the pension, viz. Rupees 11-15, will be resumed.

6. Meer Momeen Ali drew his share for many years from his uncle and has never been recognized as a Stipendiary. To allow him now to receive it directly from the Public Treasury would be objectionable as the permanent partition of these allowances is undesirable.
