

Fort Saint George, Revenue Consultation of 18th January 1859.

No. 11. Read the following Extract from the Proceedings of the Board of Revenue, dated 20th December 1858, No. 4678.

Read Extract Minutes Consultation, dated 23rd October 1858, No. 1436, R. D.

(In Con. 20th December 1858, No. 4801.)

The Board concur with the Commissioner of Tanjore that the best arrangement will be to extend to that Town the House Tax levied throughout the rest of the District under Regulation I. of 1816.

2. The late Rajah's officers levied a similar tax for certain municipal purposes of originally 3 and latterly 8 Pice monthly on each house. The impost was not however systematically realized.

3. Under Regulation I. of 1816, the rates are lower, being one Madras Fanam annually for each thatched and double that amount for each tiled house with a proviso that the tax shall not exceed 5 per cent. of the annual value of the houses and an exception in favor of the dwellings of labourers, if not of a superior description.
