No. 80

Dated 19-1-1859

Fort Saint George, Revenue Consultation of 25th January 1859.

No. 7. Read the following Extract from the Proceedings of the Board of Revenue, dated 7th January 1859, No. 60.

Read letter from the Collector of Cuddapah, dated 9th December 1858, No. 148.

(In Con. 27th December 1858, No. 5611.)

Board's Proceedings 2nd July 1858, No. 2292. Resolved that the above letter be submitted
E. M. C. 16th in Con. 20th July 1858, No. 979, R. D. to Government with reference to the correspondence noted in the margin.

2. In that correspondence relative to the contumacy of Abdul Mahazeed Khan (the recipient of one—half of the Pension enjoyed by the late Mohabut Khan) in declining to contribute to the support of his father, and of the other members of his family it was erroneously assumed that he, and Abdul Summut Mayana, the recipient of the remaining half Pension were brothers, instead of cousins as they really are; and it was therefore recommended that one-third of the whole Pension should be assigned for the maintenance of Abdul Mahazeed Khan's father, and the other members of his family, and that the remaining two-thirds should be equally divided between him and Abdul Summut Mayana.

3. Government misled by the Board's recommendation sanctioned the proposed arrangement which was accordingly carried out, but Abdul Summut Mayana declined to receive his reduced portion, and appealed to the Board whether it was fair that he and his branch of the family should thus suffer for the misconduct of a member of another branch—and upon further enquiry it was found that he and Abdul Mahazeed Khan were no brothers but sister's sons, as shewn in the Tabular Statement submitted to Government with the Board's Proceedings of 22nd October 1857—and that the Board's recommendation of 2nd July last, was based on error.

4. They beg therefore to recommend that the orders of Government dated 16th July last be cancelled, and that the Collector be authorized to continue
In Consultation 20th July 1858. to Abdul Summut Mayana the full half of the Pension which he originally received, and to deduct from the remaining portion received by Abdul Mahazeed Khan, a moiety of his share for the maintenance of his father and family.
