MILITARY DEPARTMENT.

No. 208.

Extract from the Minutes of Consultation, 18th January 1859.

Read letter from the Adjutant General of the Army, Ootacamund, 13th January 1859, No. 2613; to the Secretary to Government, Military Department.

Letter from the Officer Commanding Malabar and Canara dated 7th ultimo No. 13, transmitting copy of one from Captain Walpole, relative to the service rendered by the Tahsildar of Soopah to the Field Force.

I have the honor by order of the Commander-in-Chief, to bring to the favorable notice of Government, the good conduct of Mungash Row, Tahsildar of Soopah, as represented by Brigadier FitzGerald and Captain Walpole in the annexed copies of *correspondence.

From the Officer Commanding Malabar and Canara, Camp Koessy, 7th December 1858, No. 13; to the Adjutant General of the Army, Ootacamund.

I have the honor to transmit copy of a letter as per margin, from Captain Walpole Commanding the Madras Field Force North Canara, bringing to notice, the services of Mungash Row Tahsildar of Soopah—the advantages the Force have reaped from the exertions of this Native Official since its first formation, have been so great, that I venture to request you will have the goodness to submit the same to His Excellency the Commander-in-Chief for such notice as he may deem fitting.

No. 152.
Dated 7th December 1858.

From the Officer Commanding Madras Troops on Field Service in North Canara, Camp Koessy, 7th December 1858, No. 152; to the Brigade Major, Malabar and Canara.

I have the honor to request you will be so good as to lay the following subject before the Officer Commanding the Provinces.

Mungash Row, Tahsildar of the Soopah Talook, has asked me to bring to the notice of Brigadier FitzGerald, my sense of his services since the commencement of the out-break in North Canara, I would have done so spontaneously, had I thought it within my province as an act of justice to an excellent public servant.

I have frequently heard his immediate superiors express the highest opinion of his merits, and of the great intelligence he has shown on all occasions, and their testimony is of far more value than my own.

Captain Searle, in the report of the dour he and his detachment made in pursuit of the Bund prominently mentioned how much he was assisted by Tahsildar Mungash Row, I cannot myself speak too highly of him, and I consider that every Officer and Sepoy in the Field Force has to thank him for the ever ready attention which he has shewn to their wants.

I am aware, that in bringing the conduct of Tahsildar Mungash Row to the notice of Brigadier FitzGerald, I am stepping out of the strict line of my duty, but the services performed by the Tahsildar have been out of the usual routine of his Office, and I must plead this as my excuse.
