Proceedings of the Madras Government, Revenue Department, from 24th September to 4th October 1859.

No. 61. Read the following Proceedings of the Board of Revenue, dated 17th September 1859, No. 3723.

Read letter from the Collector of Tanjore, dated 14th September 1859, No. 194.

(In Con. 17th September 1859, No. 4641.)

Copy of the above letter will be communicated to the Acting Collector of Tinnevelly, with reference to his letter dated 11th July 1859, No. 277, copy *In Con. 16th July 1859, No. 3523.* of which will be forwarded to the Collector of Tanjore with these proceedings. The Board request that Mr. Levinge will arrange for the immediate despatch of the quantity of salt required by the Collector of Tanjore, or such portion as his district can supply to the ports and in the proportions named by Mr. Cadell.

2. The Board wish the arrangement to be conducted on the same plan as was recently pursued in regard to the salt supplied from Tinnevelly to Canara, viz. the salt to be supplied to the shipper at Rupees 15 per 100 Indian Maunds, he contracting to deliver at a certain price per hundred maunds, to be finally submitted for the Boards' confirmation, and the shipping and landing charges in both instances to be borne by Government, but the Government to be responsible for any loss, wastage or demurrage.

3. Mr. Levinge will inform the Board with all speed by Telegram of the amount of salt he can supply to Tanjore and of the rate at which he may succeed in effecting contracts for its delivery, these last being subsequently submitted for their confirmation, but Mr. Levinge may proceed with his arrangements in anticipation of its receipt to such extent as may be necessary to avoid delay, not finally concluding the contracts, however, for more salt than there are means at once available, to despatch.

4. The Collector of Tanjore will be informed by the Board of the price he is to pay for the salt on delivery.

5. Copy of these proceedings will be submitted to Government with the Collector's letter for their information.
