REVENUE DEPARTMENT.

PROCEEDINGS of the MADRAS GOVERNMENT.

Read the following letter from the Sub-Secretary to the Court of Wards.

Submitting the Court's annual report on the Estates under their charge with the usual Statements for Fusly 1267. } (Here enter 4th August 1859, No. 3024.)

ORDER THEREON, 30th September 1859, No. 1328.

In this letter the Court of Wards report on the twenty one estates under their management in Fusly 1267 A. D. 1857-58.

Land Revenue, ...	12,98,563
Sundry sources, ...	22,608
Rupees...	13,21,141

2. The total demand on account of land and sundry sources amounted to Rupees 13,21,141 or Rupees 1,43,463 less than in last Fusly. Of the total demand all but 1,80,638 was collected and of this sum the Court sanctioned a remission of Rupees 10,568. Subsequent collections reduced the arrears to Rupees 1,02,271; which sum is in course of realization.

3. The Government observe that the Court have called on the Collector of Madura to report on the very large balance against the Sevagunga estate, comprising a current balance of Rupees 72,311, and an old balance of Rupees 63,065 or a total of Rupees 1,35,375. These heavy arrears are not creditable to the administration of the Manager. It is to be hoped that they will be materially reduced before the proprietor is placed in possession of the estate on his attaining his majority next month.

4. The funds in hand at the beginning of the Fusly to the credit of the estates, amounted to Rupees 16,49,979 and the receipts during the year including interest on funded property, amounted to Rupees 13,55,047 making a total of Rupees 30,05,026; from which, after deducting charges &c., a balance in favor of the estates to the amount of Rupees 18,19,085 is shewn at the close of the Fusly, of this amount Rupees 15,30,902 is invested in Government securities. It appears to Government that a part of the cash balance might have been invested. No reason appears for retaining so large a sum as Rupees 2,88,183 in cash at the end of the Fusly. The Court are requested now to direct such further investment to be made as will leave only the necessary cash balance for meeting current demands.

5. In para. 20 the Court give a summary of the means in operation for the education of the several Minors; and, on the whole, the information is satisfactory, as well as creditable to those concerned. No remark seems to be called for from Government at this late date.

6. The report on Fusly 1267, ending June 30th 1858, did not come before Government till September 1st 1859, or fourteen months after the close of the year. The Governor in Council hopes that there will be much less delay in submitting the report for Fusly 1268.

2. Of the nineteen estates which were under management in Fusly 1266, two* were made over to the proprietors on their attaining their majority. Four estates, viz. Kirlumpoody in Rajahmundry, Ootcoor in Masulipatam, and Eroongadoocottah and Luttoor in Chingleput, were newly taken under management. Thus the number of estates to be noticed, as belonging to the year under review, is twenty one.

* Badagadah in Ganjam, Coorpaum in Vizagapatam.

3. Of these the estate of Purlah Komedy in Ganjam continues under the Court's charge, owing to the mental incapacity of the owner, and the remaining twenty on account of the minority of the proprietors.

4. STATEMENT No. 1.—The entire number of villages in these estates were settled as follows ;—

Ryotwar	694
Rent	210
Amany	903
Inam and Shrotrium	1,643
	3,450

Compared with the preceding year they exhibit a net decrease of 166, which resulted chiefly from the addition in the year of 22 villages of the four estates which newly came under management, and from the deduction of 188 villages belonging to the two estates which passed into the hands of their proprietors as stated in para. 2.

5. STATEMENT No. 2.—The extent of land cultivated in Ryotwar villages was acres 1,99,059 bearing an assessment of Rupees 6,92,594 inclusive of *Fusljanty*, of which the greater portion (acres 1,17,292) assessed at Rupees 5,17,972 is in the class of Nurjah. Remissions to the amount of Rupees 34,800 were granted, a large part of which occurred as usual in the estates noted in the margin. Thus the net demand amounted to Rupees 6,57,794, to which a sum of Rupees 22,868 being added on account of ready money collections, the total Ryotwary settlement was fixed at Rupees 6,80,662.

	Rs.
Pittapoor	19,784
Ayacoody	7,007
	Rs. 27,091

6. STATEMENT No. 3.—The total Demand on account of Land and Sundry sources of Revenue of the several estates for the Fusly 1267, amounted to Rupees 13,21,141, as particularized below ;—

Land Revenue.	Rs.	
Ryotwar	6,80,662	
Village rents	1,19,843

7. Statement No. 4.—This statement shows the Demand Collection and Balance of the entire revenue on account of current and arrears. The following is an abstract of its contents;—

	Current.	Arrears.	Total.
Demand for Fusly 1267	13,21,141	6,80,554	20,01,695
Collections within the year	9,88,489	3,18,687	13,07,176

Subsequent collections	2,02,014	11,570	2,13,584
Remainder	1,30,638	3,34,578	4,65,216

In Con. 16th April 1859, No. 1739.

8. It may be proper here to state, with reference to para. 2 of Extract Minutes Consultation, dated 15th April 1859, No. 539, that the date up to which these subsequent collections are made, after the close of the Fusly, cannot be given as it varies in each district according to the time the report is closed.

9. Current.—Of the above Current balance of Rupees 1,30,638 the Court have sanctioned, as recommended by the Collector of Tanjore, Rupees 10,568 to be remitted. This comprizes Rupees 4,910 in Cabistalum estate, being the moiety of the increase caused by the high rate of the current selling prices, and Rupees 5,658 in Gundracottah, being the demand on dry lands which proved altogether unproductive in consequence of the utter failure of rains. The remainder, Rupees 1,20,070, was still further reduced to Rupees 1,02,271 by subsequent collections. This sum consists chiefly of Rupees 72,311 in Sevagunga, and Rupees 29,960 in all the others and is in course of realization.

10. Arrears.—The balance on account of old arrears as shewn at the end of para. 7, was Rupees 3,34,578. This comprizes a sum of Rupees 2,09,699 which was already sanctioned for remission in the Court's report for Fusly 1266 but not written off the accounts of Fusly 1267. After deducting this sum the remaining balance will be Rupees 1,24,879, which is classed as follows;—

A large part of this sum was outstanding on the Pittapoor estate, viz. Rs. 2,05,363.

	Rs.
Recoverable	85,398
Doubtful	27,780
Irrecoverable	11,701
Rs.	1,24,879

11. Of the balance of Rupees 85,398, classed as recoverable, a sum of Rupees 63,065 is in Sevagunga, which with the current balance of Rupees 72,311, makes a total of Rupees 1,35,375.

11th May 1859.

The special attention of the Collector of Madura has been called to the large balance outstanding every year on account of this estate, and he has been requested to take steps for the early realization of the amount due. In his report for Fusly 1267 the Collector reports, as regards that year, that the large current balance is chiefly attributable to the slowness in the collections caused by the unusually late commencement of the settlement, in consequence of unavoidable circumstances, also to the adverse character of the season and to the unusual losses sustained by the Ryots during the year. In respect to the old arrears the Collector apprehends that from losses, and other circumstances, a large portion of these will be found to be irrecoverable, and he promises to make an early and strict enquiry into the causes for these large amounts being outstanding. In reviewing this report the Court have again taken particular notice of the matter; and they hope to obtain a satisfactory settlement of the large balance in the coming report for Fusly 1268.

12. The balance under the head of *doubtful* is reserved for further investigation. The remainder, Rupees 11,700-13-10, having been ascertained to be altogether irrecoverable in the estates noted in the margin,* sanction was accorded for writing it off the public accounts.

* Cassimcottah and Mellapaukum	Rs. 1,511	10	6
Cabistalum	3,323	0	0
Pittapoor	6,687	8	6
Sevagunga	178	10	10
	Rs. 11,700	13	10

13. Statement No. 5.—The financial results of the year under report are exhibited in this statement. It will be seen from it that the funds in hand to the credit of the estates, at the beginning of the Fusly, amounted to Rupees 16,49,979, and the receipts during the year, including interest on Government Bonds, &c., were Rupees 13,55,047,† making a total of Rupees 30,05,026. From this the charges, as detailed in the margin,‡ Rupees 11,85,941, being deducted, there remained Rupees 18,19,085 in favor of the estates at the close of the year; of which sum, Rupees 15,30,902 have been invested in Government securities, as particularized below;—

† Current collections	Rs. 9,88,489	0	0

Ayacoody	5,000
Pareyoor	31,926
Munnarcottah	24,000
Sauptoor	33,000
Total Rs.	15,30,902

14. The payments on account of debts were made in but a few estates. The particulars regarding the liabilities of the several estates will, the Court hope, be supplied in the Collectors' reports for Fusly 1268. There appear to be large claims against the estate of Sevagungah which have attracted the notice of the Court, and while reviewing the report from the Collector of Madura for Fusly 1267, they directed him to enter into a full and complete investigation of these demands, and to report the result for their information.

15. Statement No. 6.—This statement shows the current Demand, Collection, and Charges as compared with the preceding year. The following is its abstract;—

	Fusly 1266.	Fusly 1267.	Inc.	Dec.
Demand	14,29,090	13,21,141	...	1,07,949
Collection	10,81,398	9,88,489	...	92,909
Charges	12,29,657	11,85,941	...	43,716

16. The decrease in the Demand results from a gross increase of Rupees 73,901 in nine estates and a gross decrease of Rupees 1,81,850 in twelve others. The decline occurs chiefly in Sevagungah, and was caused by the diminished cultivation in many villages, consequent on the extreme adversity of the season. The decrease in the Collections also resulted from the same cause principally in that estate.

Rs. 1,74,856.

17. The decrease in the Charges resulted from a gross increase of Rupees 88,040 in ten estates and from a gross decrease of Rupees 1,31,756 in eleven others. The large increase was in the estates noted in the margin. In Purlah Kemedy it was owing to the disbursements of the whole sum laid out on roads, repairs of irrigation works, and the wages of Maramut establishments, within the Fusly.

Purlah Kemedy	Rs. 19,367
Pittapoor	,, 25,166
Kirlumpoody	,, 28,374

In Pittapoor the increase was chiefly in consequence of the advances for the cultivation of Fusly 1266 having been made in Fusly 1265, while the same expenditure for Fusly 1267 was incurred within that Fusly and included in the accounts of the year. The increase in Kirlumpoody is nominal, no transactions of the previous Fusly being entered, as it came under management in the year under review.

Sevagunga.....	Rs. 1,01,778
Cassimcottah and Mellapaka.	,, 7,353
Chamoodoo.....	,, 9,001

18. The decrease appears chiefly in the marginally noted estates, the greater portion being in Sevagungah, where it resulted from the absence of disbursements on account of debts, or such expenditure as was incurred in the previous Fusly for Law charges and on account of the minor's visit to Madras.

19. In Cossimcottah and Chamoodoo the decrease similarly resulted from the absence of expenditure in payment of debts, and for marriage charges, both of which were incurred in the previous year.

20. The general conduct and the education of the minors will now be noticed.

GANJAM.—The Collector having only recently joined the district was not competent to express any opinion of this subject. It will be noticed in full in his next report.

VIZAGAPATAM.—The minor Proprietor of Cassimcottah and Mellapaka is now 10 years old, and lives with his maternal grandfather. He studies English, Teloogoo, and Hindoostanee, under competent teachers.

The Chamoodoo Zemindar, now 10 years old, resides at Vizianagrum with his family and is prosecuting his studies in Teloogoo.

RAJAHMUNDRY.—The health of the Pittapoor minor, now 15 years old, being still indifferent, arrangements were made for his proceeding to Rajahmundry without any further delay both for the recovery of his health and for educational purposes. His younger brother was to accompany him.

The minor Proprietor of Kirlumpoody, now 15 years of age, is reading Teloogoo. He will be sent soon to Rajahmundry to study in the Provincial school.

MASULIPATAM.—The Bullepuroo minor, who is now eight years old, is learning Teloogoo at his own house.

The minor of Ootcoor is a very intelligent lad. He was placed at the Church Mission school after he had made considerable progress under the tuition of a private tutor in his own house, His advance has on the whole been satisfactory at the Mission school.

CHINGLEPUT.—The eldest of the four joint Proprietors of Oottoocadoo has attained his majority, and is stated to be employed on the Railway. The elder members of the family have requested the Court to retain charge of the estate until the majority of the youngest brother. Of the three minors two are studying in the Presidency College and the other in the Normal school. Their progress seems to be satisfactory.

The minor of Eroongadoocottah and Luttoor is a mere infant, but doing well under the guardianship of his mother.

TANJORE.—The Cabistalum minor left Combaconum school for the performance of his marriage and has not returned. The Collector was of opinion, from the little progress made by the boy while at Combaconum school, that his retention there would be no way beneficial, and the Court accordingly sanctioned the employment of a private tutor for his education.

The two minor Proprietors of Gundracottah were placed at the Triviar Talook school, at their own request to avoid the inconveniences of a removal to Combaconum, but the result of the arrangement does not appear to be very satisfactory. The minor of Paulivanum is prosecuting his studies satisfactorily at the Combaconum school.

MADURA.—The eldest of the two minors of Sevagungah though not smart, certainly derived benefit from his visit to Madras. He pursues his studies with diligence and is attentive to the instructions of his master. His younger brother, though of quicker parts, is said to be of a less pleasing disposition. The Ayacoody minor is progressing satisfactorily in his studies and promises to turn out well.

TINNEVELLY.—The estate of Pareyoor was made over to the Proprietor in March 1859, he having attained his majority in February. He has a slight knowledge of Teloogoo and English.

The minor of Munnarcottah, now 13 years old, was sent to the Provincial school at Combaconum in October 1858.

The Sauptoor minor is now nine years of age. He reads Tamil and Teloogoo in the family residence as ordered by the Court under date the 23d March 1858.

COIMBATORE.—The Proprietor of Poravepolum has attained his majority.

In accordance with the instructions contained in para. 6 of Extract Minutes Consultation, dated 4th August 1855, I am directed, by the Court of Wards, to submit their report on the estates under their charge, with the usual statements for Fusly 1267.

2. Of the nineteen estates which were under management in Fusly 1266, two* were made over to the proprietors on their attaining their majority. Four estates, viz. Kirlumpoody in Rajahmundry, Ootcoor in Masulipatam, and Eroongadoocottah and Luttoor in Chingleput, were newly taken under management. Thus the number of estates to be noticed, as belonging to the year under review, is twenty one.

* Badagadah in Ganjam. Coorpaum in Vizagapatam.

3. Of these the estate of Purlah Kemedy in Ganjam continues under the Court's charge, owing to the mental incapacity of the owner, and the remaining twenty on account of the minority of the proprietors.

4. STATEMENT No. 1.—The entire number of villages in these estates were settled as follows;—

Ryotwar	694
Rent	210
Amany	903
Inâm and Shrotrium	1,643
	3,450

Compared with the preceding year they exhibit a net decrease of 166, which resulted chiefly from the addition in the year of 22 villages of the four estates which newly came under management, and from the deduction of 188 villages belonging to the two estates which passed into the hands of their proprietors as stated in para. 2.

5. STATEMENT No. 2.—The extent of land cultivated in Ryotwar villages was acres 1,99,059 bearing an assessment of Rupees 6,92,594 inclusive of *Fusijasty*, of which the greater portion (acres 1,17,292) assessed at Rupees 5,17,972 is in the class of Nunjah. Remissions to the amount of Rupees 34,800 were granted, a large part of which occurred as usual in the estates noted in the margin. Thus the net demand amounted to Rupees 6,57,794, to which a sum of Rupees 22,868 being added on account of ready money collections, the total Ryotwary settlement was fixed at Rupees 6,80,662.

	Rs.
Pittapoor	19,764
Ayacoody	7,907
	27,691

6. STATEMENT No. 3.—The total Demand on account of Land and Sundry sources of Revenue of the several estates for the Fusly 1267, amounted to Rupees 13,21,141, as particularized below;—

Land Revenue.	Rs.	
Ryotwar	6,80,662	
Village rents	1,19,843	
Amany	3,99,755

Sundry small farms	2,435	
Extra revenue	9,723	
		22,608
Rupees		13,21,141

7. STATEMENT No. 4.—This Statement shows the Demand Collection and Balance of the entire revenue on account of current and arrears. The following is an abstract of its contents;—

	Current.	Arrears.	Total.
Demand for Fusly 1267	13,21,141	6,80,554	20,01,695
Collections within the year	9,88,489	3,18,687	13,07,176
Remissions		15,719	15,719
Total	9,88,489	3,34,406	13,22,895
Remainder at the close of the Fusly	3,32,652	3,46,148	6,78,800
Subsequent collections	2,02,014	11,570	2,13,584
Remainder	1,30,638	3,34,578	4,65,216

8. It may be proper here to state, with reference to para. 2 of Extract Minutes Consultation, dated 15th April 1859, No. 539, that the date up to which these subsequent collections are made, after the close of the Fusly, cannot be given as it varies in each district according to the time the report is closed.

In Con. 16th April 1859, No. 1739.

9. CURRENT.—Of the above Current balance of Rupees 1,30,638 the Court have sanctioned, as recommended by the Collector of Tanjore, Rupees 10,568 to be remitted. This comprizes Rupees 4,910 in Cabistalum estate, being the moiety of the increased caused by the high rate of the current selling prices, and Rupees 5,658 in Gundracottah, being the demand on dry lands which proved altogether unproductive in consequence of the utter failure of rains. The remainder, Rupees 1,20,070, was still further reduced to Rupees 1,02,271 by subsequent collections. This sum consists chiefly of Rupees 72,311 in Sevagunga, and Rupees 29,960 in all the others and is in course of realization.

10. ARREARS.—The balance an account of old arrears as shewn at the end of para. 7, was Rupees 3,34,578. This comprises a sum of Rupees 2,09,699 which was already sanctioned for remission in the Court's report for Fusly 1266 but not written off the accounts of Fusly 1267. After deducting this sum the remaining balance will be Rupees 1,24,879, which is classed as follows;—

A large part of this sum was outstanding on the Pittapoor estate, viz. Rupees 2,05,363.

	Rs.
Recoverable	85,398
Doubtful	27,780
Irrecoverable	11,701
Rupees...	1,24,879

11. Of the balance of Rupees 85,398, classed as recoverable, a sum of Rupees 63,065 is in Sevagunga, which with the current balance of Rupees 72,311, makes a total of Rupees 1,35,375. The special attention of the Collector of Madura has been called to the large balance outstanding every year on account of this estate, and he has been requested to take steps for the early realization of the amount due. In his report for Fusly 1267 the Collector reports, as regards that year, that the large current balance is chiefly attributable to the slowness in the collections caused by the unusually late commencement of the settlement, in consequence of unavoidable circumstances, also to the adverse character of the season and to the unusual losses sustained by the Ryots during the year. In respect to the old arrears the Collector apprehends that from losses, and other circumstances, a large portion of these will be found to be irrecoverable, and he promises to make an early and strict enquiry into the causes for these large amounts being outstanding. In reviewing this report the Court have again taken particular notice of the matter; and they hope to obtain a satisfactory settlement of the large balance in the coming report for Fusly 1268.

11th May 1859.

12. The balance under the head of *doubtful* is reserved for further investigation. The remainder, Rupees 11,700-13-10, having been ascertained to be altogether irrecoverable in the estates noted in the margin,* sanction was accorded for writing it off the public accounts.

13. STATEMENT No. 5.—The financial results of the year under report are exhibited in this statement. It will be seen from it that the funds in hand to the credit of the estates, at the beginning of the Fusly, amounted to Rupees 16,49,979, and the receipts during the year, including interest on Government Bonds, &c., were Rupees 13,55,047,† making a total of Rupees 30,05,026. From this the charges, as detailed in the margin,‡ Rupees 11,85,941, being deducted, there remained Rupees 18,19,085 in favor of the estates at the close of the year; of which sum, Rupees 15,30,902 have been invested in Government securities, as particularized below;—

	Rs.
Purlah Kemedy	9,48,576
Cassimcottah and Mellapaka	10,000
Pittapoor	1,00,000

Ayacoody	5,000
Pareyoor	3',926
Munnarcottah	11,000
Sauptoor	33,000
Total Rs.	15,30,902

14. The payments on accounts of debts were made in but a few estates. The particulars regarding the liabilities of the several estates will, the Court hope, be supplied in the Collectors' reports for Fusly 1268. There appear to be large claims against the estate of Sevagungah which have attracted the notice of the Court, and while reviewing the report from the Collector of Madura for Fusly 1267, they directed him to enter into a full and complete investigation of these demands, and to report the result for their information.

15. STATEMENT No. 6.—This statement shews the current Demand, Collection, and Charges as compared with the preceding year. The following is its abstract;—

	Fusly 1266.	Fusly 1267.	Inc.	Dec.
Demand	14,29,090	13,21,141	...	1,07,949
Collection	10,81,398	9,88,489	...	92,909
Charges	12,29,657	11,85,941	...	43,716

16. The decrease in the Demand results from a gross increase of Rupees 73,901 in nine estates and a gross decrease of Rupees 1,81,850 in twelve others. The decline occurs chiefly in Sevagungah, and was caused by the diminished cultivation in Amany villages, consequent on the extreme adversity of the season. The decrease in the Collections also resulted from the same cause principally in that estate.

Rupees 1,71,850.

17. The decrease in the charges resulted from a gross increase of Rupees 88,040 in ten estates and from a gross decrease of Rupees 1,31,756 in eleven others. The large increase was in the estates noted in the margin. In Purlah Kemedy it was owing to the disbursements of the whole sum laid out on roads, repairs of irrigation works, and the wages of Maramut establishments, within the Fusly.

Purlah Kemedy	Rs.	19,367
Pittapoor	,,	28,166
Kirlumpoody	,,	28,374

In Pittapoor the increase was chiefly in consequence of the advances for the cultivation of Fusly 1266 having been made in Fusly 1265, while the same expenditure for Fusly 1267 was incurred within that Fusly and included in the accounts of the year. The increase in Kirlumpoody is nominal, no transactions of the previous Fusly being entered, as it came under management in the year under review.

18. The decrease appears chiefly in the marginally noted estates, the greater portion being in Sevagungah, where it resulted from the absence of disbursements on account of debts, or such expenditure as was incurred in the previous Fusly for Law charges and on account of the minor's visit to Madras.

Sevagungah	Rs. 1,04,778
Cassimcottah and Mellapaka	,, 7,353
Chamoodoo	,, 9,001

19. In Cassimcottah and Chamoodoo the decrease similarly resulted from the absence of expenditure in payment of debts, and for marriage charges, both of which were incurred in the previous year.

20. The general conduct and the education of the minors will now be noticed.

GANJAM.—The Collector having only recently joined the district was not competent to express any opinion of this subject. It will be noticed in full in his next report.

VIZAGAPATAM.—The minor Proprietor of Cassimcottah and Mellapaka is now 10 years old, and lives with his maternal grandfather. He studies English, Teloogoo, and Hindoostanee, under competent teachers.

The Chamoodoo Zemindar, now 10 years old, resides at Vizianagrum with his family and is prosecuting his studies in Teloogoo.

RAJAHMUNDRY.—The health of the Pittapoor minor, now 15 years old, being still indifferent, arrangements were made for his proceeding to Rajahmundry without any further delay both for the recovery of his health and for educational purposes. His younger brother was to accompany him.

The minor proprietor of Kirlumpoody, now 15 years of age, is reading Teloogoo. He will be sent soon to Rajahmundry to study in the Provincial School.

MASULIPATAM.—The Bullepuroo minor, who is now eight years old, is learning Teloogoo at his own house.

The minor of Ootcoor is a very intelligent lad. He was placed at the Church Mission school after he had made considerable progress under the tuition of a private tutor in his own house. His advance has on the whole been satisfactory at the Mission school.

CHINGLEPUT.—The eldest of the four joint Proprietors of Oottoocadoo has attained his majority, and is stated to be employed on the Railway. The elder members of the family have requested the Court to retain charge of the estate until the majority of the youngest brother. Of the three minors two are studying in the Presidency College and the other in the Normal school. Their progress seems to be satisfactory.

The minor of Eroongadoocottah and Luttoor is a mere infant, but doing well under the guardianship of his mother.

TANJORE.—The Cabistalum minor left Combaconum school for the performance of his marriage and has not returned. The Collector was of opinion, from the little progress made by the boy while at Combaconum school, that his retention there would be no way beneficial, and the Court accordingly sanctioned the employment of a private tutor for his education.

The two minor Proprietors of Gundracottah were placed at the Triviar Talook school, at their own request to avoid the inconveniences of a removal to Combaconum, but the result of the arrangement does not appear to be very satisfactory. The minor of Paulivanum is prosecuting his studies satisfactorily at the Combaconum school.

MADURA.—The eldest of the two minors of Sevagungah though not smart, certainly derived benefit from his visit to Madras. He pursues his studies with diligence and is attentive to the instructions of his master. His younger brother, though of quicker parts, is said to be of a less pleasing disposition. The Ayacoody minor is progressing satisfactorily in his studies and promises to turn out well.

TINNEVELLY.—The estate of Pareyoor was made over to the Proprietor in March 1859, he having attained his majority in February. He has a slight knowledge of Teloogoo and English.

The minor of Munnarcottah, now 13 years old, was sent to the Provincial school at Combaconum in October 1858.

The Sauptoor minor is now nine years of age. He reads Tamil and Teloogoo in the family residence as ordered by the Court under date the 23rd March 1858.

COIMBATORE.—The Proprietor of Poravepolum has attained his majority.

(Signed) W. HUDLESTON, *Acting Secretary.*

No. 87. Order thereon, 30th September 1859, No. 1328.

In this letter the Court of Wards report on the twenty one estates under their emanagement in Fusly 1267 A. D. 1857-58.

Land Revenue, ...	12,98,533
Sundry sources, ...	22,608
Rupees...	13,21,141

2. The total demand on account of land and sundry sources amounted to Rupees 13,21,141 or Rupees 1,43,463 less than in last Fusly. Of the total demand all but 1,80,638 was collected and of this sum the Court sanctioned a remission of Rupees 10,568. Subsequent collections reduced the arrears to Rupees 1,02,271; which sum is in course of realization.

3. The Government observe that the Court have called on the Collector of Madura to report on the very large balance against the Sevagunga estate, comprising a current balance of Rupees 72,311, and an old balance of Rupees 63,065 or a total of Rupees 1,35,375. These heavy arrears are not creditable to the administration of the Manager. It is to be hoped that they will be materially reduced before the proprietor is placed in possession of the estate on his attaining his majority *next month*.

4. The funds in hand at the beginning of the Fusly to the credit of the estates, amounted to Rupees 16,49,979 and the receipts during the year including interest on funded property, amounted to Rupees 13,55,047 making a total of Rupees 30,05,026; from which, after deducting charges &c., a balance in favor of the estates to the amount of Rupees 18,19,085 is shewn at the close of the Fusly, of this amount Rupees 15,30,902 is invested in Government securities. It appears to Government that a part of the cash balance might have been invested. No reason appears for retaining so large a sum as Rupees 2,88,183 in cash at the end of the Fusly. The Court are requested now to direct such further investment to be made as will leave only the necessary cash balance for meeting current demands.

5. In para 20 the Court give a summary of the means in operation for the education of the several Minors; and, on the whole, the information is satisfactory, as well as creditable to those concerned. No remark seems to be called for from Government at this late date.

6. The report on Fusly 1267, ending June 30th 1858, did not come before Government till September 1st 1859, or fourteen months after the close of the year. The Governor in Council hopes that there will be much less delay in submitting the report for Fusly 1268.

(Signed) W. C. SIM,
Acting Deputy Secretary to Government.
