Proceedings of the Madras Government, Revenue Department, from 24th September to 4th October 1859.

No. 102. Read the following letter from J. L. LUSHINGTON, Esq., Civil Auditor; to J. D. BOURDILLON, Esq., Secretary to Government, Revenue Department; dated 20th September 1859, No. 728.

With reference to the Proceedings of the Madras Government dated 25th June 1859, No. 841, Revenue Department, sanctioning the scale of travelling allowance and batta to the Establishment of the Director of Revenue Settlement, and with reference to para. 4 of the Proceedings of Government dated 14th June last, No. 784, permitting the Establishment of the Inám Commissioner and his Special Assistants to draw batta and travelling allowance at the same rate, as is allowed to the Establishment of the Director of Revenue Settlement, I have the honor to inform you, that the Moochee on the Establishment of the Director, was allowed before the order of the 25th June last, was issued, batta at the rate of 1 cooly a day, *i. e.* annas 3 and pice 9; which rate is sanctioned to the Moochees on the Establishments of the Collector's Cutcherries while travelling on circuit.

As the order of Government above noticed modifies generally similar rates of allowance, in respect of Mr. Newill's Establishment, I am in doubt as to the rate of batta to be allowed to the Moochees on the Establishment of the Director of Revenue Settlement, and the Moochees and *Stampers* on the Estabblishment of the Inám Commissioner; and therefore request to be informed of the rate at which batta to those servants may be allowed. I have however for the present passed the batta at $\frac{3}{10}$ the salary to the Stampers and Moochees of the Inám Commissioner and his Special Assistants.

No. 103. ORDER THEREON, 1st October 1859, No. 1335.

The order of the 25th June 1859, No. 841 was to the following effect. All persons on the Establishment of the Director of Revenue Settlement receiving 40 Rupees a month and upwards were permitted, *when on circuit*, to draw three tenths of their pay as batta, with a travelling allowance of four annas a mile for distance travelled; and all those *on less* than 40 Rupees a month were permitted to draw the same rate of batta, with a travelling allowance of two annas a mile. The travelling batta of the peons was the only exception and was to continue as heretofore. No further orders appear to be called for.
