No. 127. Read the following letter from W. HUDLESTON, Esq., Acting Secretary to the Board of Revenue; to J. D. BOURDILLON, Esq., Secretary to Government R. D. dated 6th September 1859, No. 3524.

In Con. 31st January 1859, No. 402.

In accordance with the instructions in Extract Minutes of Consultation in the Revenue Department, No. 115, dated 28th January 1859, I am directed by the Board of Revenue to submit, for the orders of Government, the accompanying Statement of actual charges on account of additional establishments, incurred in Fusly 1267, A. D. 1857-58, in Vizagapatam, Masulipatam and Guntoor, these being the only districts in which the expenditure exceeded the amount of the previously sanctioned estimate.

2. In Vizagapatam the excess of Rupees 263-14-10 was caused by the re-opening of the Curassaul Salt Cotaur, a contingency not contemplated in the estimate, and by the employment of the servants of the other cotaurs for a longer period than was at first anticipated. In the other two districts, the expenditure, so far as it was connected with the objects included in the estimate, fell short by Rupees* 2,773-14-10 of the sanctioned amounts, in consequence of a smaller number of servants having been actually employed in Guntoor, than was originally contemplated; and owing, apparently, to the same cause in Masulipatam also; but as additional charges in both districts to the amount of Rupees† 5,408-2-7, although not included in the estimates, were incurred it is stated under the separate sanction of Government in the orders quoted in the margin‡ for extra guards for the protection of the Juggiapett treasury and other Police duties; a net excess of Rupees§ 2,634-3-9 occurs in the expenditure of these districts, which together with that in Vizagapatam, makes the aggregate amount for which sanction is now solicited, Rupees 2,898-2-7, as shown in the margin.‖
