Proceedings of the Madras Government, Revenue Department, from 24th September to 4th October 1859.

No. 137. Read the following letter from E. B. THOMAS, Esq., Collector of Coimbatore; to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated Coimbatore, 17th September 1859, No. 44.

With reference to paras. 24 and 25, of Extract from Minutes of Consultation, of 9th August 1858, No. 991, I have the honor to report, that on the western side of the Neilgherries there are two roads one viâ Sispara, and the other viâ Poykárra. On the former line there are already 2 shelters, at Nunjanaud and Avelanche; on the latter there is none between Ootacamund and Pykárra, a distance of 10 miles, some shelter was found necessary half way between these two places, for Native travellers. I accordingly ordered a hut to be constructed, at a locality known as "Tanootoocoray pullum," (at equal distance) 5 miles (between Ootacamund and Pykarra;) under the superintendence of the Tahsildar. Its estimated cost was Rupees 60, which I have advanced from the Public Treasury as there are no funds similar to that alluded to in Mr. Cherry's letter of the 23rd June 1858, No. 26, for which I request the sanction of Government.

No. 138. ORDER THEREON, 4th October 1859, No. 1353.

The Honorable the Governor in Council authorizes the expenditure of a sum not exceeding Rupees (60) sixty on the construction of a hut half way between Utakamund and Pykárra on the Nilgiri hills for the accommodation of native travellers.

(Signed) T. PYCROFT,
Chief Secretary.
