Proceedings of the Madras Government, Revenue Department, from 5th to 21st October 1859.

No. 9. Read the following Proceedings of the Board of Revenue, dated 15th September 1859, No. 3668.

Read the following letter from Æ. R. McDONELL, Esq., Acting Collector of South Arcot; to J. D. SIM, Esq., Secretary to the Board of Revenue, Fort St. George; dated Cuddalore, 9th September 1859, No. 206.

I have the honor to acknowledge the receipt of your letter of the 1st instant, informing me of the despatch of certain articles of furniture for the use of the public bungalows at Pondicherry and Cuddalore.

2. The term public bungalow is generally understood to designate bungalows built by Government for the use of travellers; it is usual on furnishing any of these, to charge occupation fees.

3. The Bungalow at Pondicherry was built and endowed by the late Naib Serishtadar of this district, Diague Moodelly: the Agent who now has the management of this bungalow, will never consent to its being furnished at the Government expense, if fees are to be levied.

4. I have no means of enforcing the payment of occupation fees in this bungalow.

5. Under these circumstances I beg to suggest that I may be permitted to place the furniture enumerated in list No. 1 in the Cuddalore bungalow, appointing the full complement of servants for a first-class bungalow.

6. The furniture as per list No. 2, originally intended for Cuddalore, might be advantageously placed in the Villapooram bungalow, situated at about 100 miles on the high western road leading from Madras to Trichinopoly, and now much frequented.

Submitted for the orders of Government, with the Board's recommendation that in recognition of the liberality of Diague Mudali, and the accommodation thereby afforded to travellers, the Acting Collector of South Arcot may be authorised to place so much of the furniture sent to him for that purpose in the "Public Bungalow" at Pondicherry, which the Board were under the impression was the property of Government, as may render it convenient for travellers journeying without camp furniture, and to reserve the balance for the bungalow at Villapooram, intimating to the Board what may be necessary to render the latter complete.

2. The Board do not propose to alter the arrangement originally proposed for Cuddalore.

(Signed) W. HUDLESTON, *Acting Secretary.*

No. 10. ORDER THEREON, 6th October 1859, No. 1358.

1. The Government concur in the recommendation of the Board, and authorize a portion of the furniture alluded to, being placed in the Bungalow at Pondicherry, which it appears is private property having been built and endowed by Diague Mudalí late Naib Sheristadar of South Arcot, whose liberality the Government have much pleasure in recognizing.

2. The remaining portion of the furniture will be placed at Villapúram a station conveniently situated half way between Tindavanum and Ulundúrpet and where, it is believed, travellers for the coast branch off from the Southern Trunk Road.

Chief Secretary.
