Dated October 8, 1859.

Applying for sanction to addition of two first dressers to Salem and South Arcot

No. 31. Read the following letter from W. HUDLESTON, Esq., Acting Secretary to the Board of Revenue; to J. D. BOURDILLON, Esq., Secretary to Government, R. D., dated 12th September 1859, No. 3603.

In Con. 23rd June 1859, No. 2985.

On 16th June last the Acting Collector of Salem submitted to the Board a letter from his Head Assistant, who is permanently stationed at Tripatur, pointing out that at that station he with his family are 80 miles distant from any medical aid, and soliciting that sanction might be obtained for attaching a medical subordinate to his establishment.

2. The Acting Collector, commended this application to the favorable consideration of the Board, and they admitting the request to be perfectly reasonable applied to the Director General, Medical Department, to know how compliance with it could be made least inconvenient to the other requirements of the district medical establishment.

To Director General, Medical Dept. 12th July 1859.

From Offg. Secy to the Director General, Medical Dept. 18th in Con. 19th July 1859, No. 3563.

3. A reply has been received stating that the present subordinate medical establishment will not admit of a Dresser being allotted to the establishment of the Salem Head Assistant, and that if medical aid is permanently required at Tripatur, it can only be afforded by the sanction of Government being obtained for the employment of an additional Dresser on the establishment.

4. The Board have no hesitation in forming their opinion that such aid is necessary and that merely common consideration would require that it should be afforded.

5. They desire me to solicit the sanction of Government for the employment of an additional Dresser in the Medical Department to be attached to the establishment of the Head Assistant to the Collector of Salem stationed at Tripatur.

No. 32. Official Memorandum from W. HUDLESTON, Esq., Acting Secretary to the Board of Revenue; to J. D. BOURDILLON, Esq., Secretary to Government dated 28th September 1859.

In Cons. 17th September 1859.

In reply to the Official Memorandum of the Secretary to Government in the Revenue Department, of the 16th Instant, requesting to be informed whether the services of a medical subordinate are still required for the Head Assistant Collector in South Arcot, the Acting Secretary to the Board of Revenue has the honor to report that, the Acting Collector states that should Tindevanum continue to be the principal station of the Head Assistant, when the contemplated rearrangement of Revenue charges shall have taken place, it will be highly desirable to provide the Medical aid referred to above, as originally recommended.

No. 33. ORDER THEREON, 8th October 1859, No. 1369.

It was ascertained on a former occasion* that no Medical subordinate was available for duty with the Establishment of the Head Assistant Collector of South Arcot, and with their letter above recorded the Board of Revenue submit a communication from the Acting Secretary to the Director General of the Medical Department, stating that a Dresser cannot be spared for appointment to the Establishment of the Head Assistant Collector of Salem.

* *Order 10th February 1857, No. 157.*

2. The Government consider it necessary that the required aid should be provided, the establishments concerned being remote from Medical advice; and, under the circumstances stated above in para. 1, they resolve to apply to the Government of India to sanction the addition, for that purpose, of two first Dressers to the present Subordinate Medical Establishment.

(Signed) T. PYCROFT,
Chief Secretary.

Ordered in consequence that the following letter be despatched.

No. 34. From T. PYCROFT, Esq., Chief Secretary to Government; to the Secretary to the Government of India, dated 8th October 1859, No. 1370.

The Head Assistant Collectors of South Arcot and Salem, being now respectively stationed at Tindevanum and Tripatúr, places altogether remote from Medical advice, have applied, through the Board of Revenue, for the appointment to their offices of a Medical subordinate. This Government consider it highly necessary that the required aid should be provided, and have accordingly instructed me to request that the sanction of the Government of India may be obtained to the addition, for that purpose of two 1st Dressers to the existing subordinate Medical Establishment. It has been ascertained that without this increase the Medical Department will not be able to meet the requisition.
