An expenditure of rupees one-hundred on account of ten official seals required for the Deputy Collector and Special Assistants attached to the Inam Commission – Sanctioned

No. 39. Read the following letter from G. N. TAYLOR, Esq., Inám Commissioner; to the Secretary to Government, Revenue Department, Fort St. George; dated 26th September 1859, No. 200.

In obedience to the order of Government No. 1262, and 19th Instant; I have the honor to state that Official Seals are required by the Deputy Collector attached to the Inám Commission for all those purposes for which a Seal is ordinarily used by a Public Officer exercising Revenue and Judicial functions. Their orders to the several Tehsildars, notices to Inámdárs and summonses to miscellaneous individuals whose attendance is required for evidence, are stamped with this Seal, and it is also brought into use for sealing Envelopes of letters and other packets on the Public Service.

2. Foreseeing that the Seals would be urgently required, I ventured to have eight of them made up on my arrival at this place and these are already given to each of the Deputy Collectors; the Special Assistants have hitherto been employed either at the same station with myself or in an adjoining Taluq and have therefore used my own Office Seal for the purposes above specified. It is desirable however that they should also be furnished with separate seals and I have therefore included 10 in my application.

3. I beg to express my regret that this application, through an oversight, was not submitted in the middle of last month as it ought to have been; but I trust that under the explanation now given the Government will be pleased to accord the sanction solicited.

4. I send several impressions of these seals for the inspection of the Government. It will be seen that they are well executed and when the Commission terminates, the substiution of any particular District for the words "Inám Commission" will be all that is required to adapt the seal to the ordinary purposes for which it will be useful to a Deputy Collector.

No. 40. ORDER THEREON, 10th October 1859, No. 1373.

Under the explanation furnished the Government sanction an expenditure of Rupees one hundred on account of ten Official Seals required for the Deputy Collectors and Special Assistants attached to the Inám Commission.
