Agreeing with the Collector of Tanjore and the Board of Revenue that the provision of accommodation for travellers at Negapatam should be left to private enterprise.

No. 41. Read the following letter from W. HUDLESTON., Esq, Acting Secretary to the Board of Revenue; to J. D. BOURDILLON, Esq., Secretary to Government, R. D. Fort Saint George, dated 26th September 1859, No. 3866.

In Con. 1*st September* 1859, *No.* 4362.

In Con. 19*th September* 1859, *No.* 4666.

With reference to the proceedings of Government, dated 31st August 1859, No. 1166, I am directed by the Board of Revenue to submit the accompanying letter, dated 15th September 1851, No. 95, from the Collector of Tanjore, furnishing the information called for by Government.

2. The Collector fully recognizes the want of a building for the accommodation of travellers at Negapatam, and states that this want has been long felt, and that the construction of a bungalow would doubtless be a great public convenience. The town being, however, likely soon to rise to importance, and demands having already been made for sites for buildings, he is disposed to leave the supply of the necessary accommodation to private enterprize, and, in fact, shortly expects an application for ground for the erection of an hotel.

3. The Board concur in opinion of the Collector, being convinced that as the terminus of the Southern Railway, the port and town of Negapatam must soon aequire commercial importance, and that the establishment of hotels must follow as a necessary consequence. They do not, therefore, consider it necessary for Government to incur the expense of building a travellers' bungalow at the station.

No. 42. ORDER THEREON, 8th October 1859, No. 1374.

Ordered that this letter be communicated to the Deputy Superintendent Electric Telegraph, Ceylon and South East Coast Circle, with reference to his letter of the 27th August 1859.

2. The Government agree with the Collector of Tanjore and the Board of Revenue that under the present circumstances of the town of Negapatam, the provision of accommodation for travellers should be left to private enterprise.

Chief Secretary.
