Dated October 11, 1859.

Not to be folded or roughly handled

Batta of Rupees 4-11-9 per mensem to the Second Dresser V. Ettirajooloo attached to the Inam Commissioner, sanctioned.

No. 60. Read again letter from the Inám Commissioner dated 17th September 1859, No. 185, and recorded in Proceedings of Government 24th September 1859, No. 1287.

Read also report from the Military Auditor General, dated 30th September 1859, B.

Adverting to the order of Government No. 1287, dated 24th instant, referring for report, a letter from the Inám Commissioner recommending that travelling batta at the rate of 2 Annas a mile in addition to an increase of salary may be granted to the 2nd Dresser attached to his Establishment, the Military Auditor General has the honor to observe that batta at the rate of Rupees 4-11-9 per mensem is all the extra remuneration admissible under regulation to 2nd Dressers, during periods of actual movement.

2. As however the Establishment of the Inám Commissioner, from the nature of its duties, may, though halted at times for short periods, be considered ever prepared to move, the Military Auditor General, would suggest, in consideration of the expenses attending such a life, that the batta of his grade be specially passed to 2nd Dresser V. Ethirajooloo in continuation, without reference to the period of actual travelling, during the time he may be serving under the orders of the Inám Commissioner.

3. The Military Auditor General considers that compliance with Mr. Taylor's recommendation would be inexpedient, as it would probably lead to applications for similar allowances from the Medical Subordinates attached to Cutcherries of Civil Servants on Circuit.

No. 61. ORDER THEREON, 11th October 1859, No. 1383.

Under the opinion expressed by the Military Auditor General, the Government authorize, as a special case, the batta of Rupees 4-11-9 per mensem being passed to second Dresser V. Ethirajooloo without reference to the period of actual travelling, during the time he may be serving under the orders of the Inám Commissioner.
