*Proceedings of the Madras Government, Revenue Department,
from 23d to 29th July 1859.*

No. 35. Read the following letter from C. W. READE, Esq., Collector of Vizagapatam; to J. D. BOURDILLON, Esq., Secretary to the Government of Fort Saint George; dated Vizagapatam, 14th July 1859, No. 658.

Sometime since Major General Tulloch applied to me for a piece of ground contiguous to the Cantonment at Vizeanagrum in order to enlarge the lines of the Regiment at present stationed there.

2. As Government will be aware the ground occupied by the Cantonment of Vizeanagrum belongs to the Rajah to whom an annual rent is paid, and the piece of additional ground now wanted is without the prescribed limits of the Cantonment, and till now has been under cultivation, and at the present moment it is in the occupation of the Rajah's ryots.

3. There is no difficulty in making over this ground and it is now available for Military purposes as I have informed Major General Tulloch, but it devolves on me to bring to the notice of Government that the incorporation of this spot of land must become a permanent charge on the public Treasury. Its extent has been ascertained and the assessment it bears is Rupees 29-1-3 which the Rajah is called upon to remit to the ryots hitherto in possession, and the Rajah asks that this sum may be yearly made over to him to meet the loss in his revenues thus accruing, and I have the honor to request the Government sanction for the disbursement from the Current Fusly of 1269.

4. Copy of my letter to General Tulloch of this date and a translation of the Rajah of Vizeanagrum's communication to my address on the subject are enclosed for the information of Government.

5. In the prospect of the relinquishment of Vizeanagrum as a permanent station for Troops, and considering the fact that for many years two Regiments have been quartered there without any complaint on the score of room, it seems to me somewhat singular that such an application as the present should now be made, and if any other arrangement were practicable I would suggest the avoidance of the cost which the appropriation of this additional piece of ground will involve.

6. I have not thought it my province to give any hint of the kind to the Military authorities, but it has seemed my obvious duty to bring it before Government leaving the question for their consideration and decision.

No. 36. ORDER THEREON, 26th July 1859, No. 1000.

Referred to the Military Department in order to ascertain, whether, with reference to the remarks of the Commander-in-Chief respecting the Cantonment of Vizeanagrum, contained in His Excellency's Minute of February 1859, recorded in Military Proceedings 5th Instant, No. 2387, the additional land applied for by Major General Tulloch is necessary.

(Signed) W. C. SIM,
Acting Deputy Secretary to Government.

were practicable I would suggest the avoidance of the cost which the appropriation of this additional piece of ground will involve.

5. I have not thought it my province to give any hint of the kind to the Military Authorities, but it has seemed my obvious duty to bring it before Government leaving the question for their consideration and decision.

I have the honor to be,

Sir,
