*Proceedings of the Madras Government, Revenue Department,
from 30th July to 5th August 1859.*

No. 11. Read the following letter from H. NEWILL, Esq., Director of Revenue Settlement; to J. D. BOURDILLON, Esq., Secretary to Government Revenue Department, Fort Saint George; dated Madras, 21st July 1859, No. 641.

1. I have the honor to submit the accompanying application from the Superintendent of Revenue Survey, dated 7th and 14th July, for sanction, to rent the house known as "Carstair's house" for the accommodation of his office, at the rate of Rupees (110) one hundred and ten per mensem, inclusive of the pay of two gardeners which seems to be a condition in the rent.

2. The Civil Architect reports, in his communication of the 19th Instant, herewith enclosed, that the house is worth the rent asked for it, and is in such a state of repair, as to be fit to be occupied as a public office.

3. Accommodation is not likely to be ready for Captain Priestley in the Chepauk Palace, for some little time, and as he is much in need of room for his office, and his lithographic establishment, which is now being made up, he proposes to take the house from the 1st Proximo in anticipation of the sanction now requested, in the event of orders not reaching him on the subject before that date.

No. 12.

ORDER THEREON, 30th July 1859, No. 1034.

The sanction applied for is unnecessary, as the Survey Department as well as the Settlement Department will be immediately accommodated at the Chepauk Palace:

From Captain G. J. D. Priestley
Superintendent Revenue Survey

To H. Venill Esq^r
Director of Revenue Settlement

Sir,
Since my arrival at Madras
(about the middle of May) I have given
up rooms in my own residence for my
Office and the Lithographic Press.

2 The space available however is
now insufficient on account of the increase
in the number of persons employed. The
work moreover carried on (Drawing and
Lithography) requires more room than
most other employments.

3. Therefore do myself the honor
to request that permission may be obtained
for me to hire a house for the accommodation

4. There is a house at present vacant that would answer the purpose the rent of which is Rupees 110 per Mensem.

5. Therefore give on that as the sum required in the hopes that the sanction to hire the house may reach me before it is taken by any other person.
