

MADRAS RECORD OFFICE.

Government of Madras.

Revenue DEPARTMENT.

G.O. No.	1042	Press Mis.
Dated	5th August 1859.	

Not to be folded or roughly handled

*Proceedings of the Madras Government, Revenue Department,
from 30th July to 5th August 1859.*

No. 27. Read the following Remarks of the Board of Revenue, dated 7th June 1859, on the following Tabular Report of a lapsed Inám No. 2098.

No. 1888, from the Collector of Canara, dated 23d April 1859.

(In Con. 28th April 1859.)

The copper-plate deed on which this Inám rests is stated to have been executed in the Salivahana year 1636, corresponding with A. D. 1714; and as the Inám still continues in the original grantee's family, and the service for which it was allowed appears to be still kept up (see column 6) the Board recommend that it be continued unconditionally to the heirs of the deceased Shabunbee.

2. The Board observe that the doubts formerly expressed by them in their Proceedings of the 11th September 1854, No. 1967, regarding the permanent character of this Inám had reference to the views then entertained regarding grants for the lighting of Makans, &c., but under the recent orders of the Honorable Court, endowments of the above nature would probably be regarded as valid service grants, and as such continued in perpetuity or so long as the purposes to which they are applicable are fulfilled.

See Note para. 412 of C. O. B., also note 4, para. 4 of 2d Vol.

1st September 1858, para. 27.

No. 28.

ORDER THEREON, 2d August 1859, No. 1042.

Referred to the Inám Commissioner for disposal.

(Signed) W. C. SIM,
Acting Deputy Secretary to Government.
