Read also the following letter from J. D. SIM, Esq., Secretary to the Board of Revenue; to J. D. BOURDILLON, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated 6th July 1859, No. 2638.

With reference to the order of Government in the Revenue Department, No. 415, dated 28th March 1859, I am directed by the Board of Revenue to point out that the information called for in Extract Minutes Consultation, 18th November 1858, Revenue Department, No. 1543, was submitted in para. 2 of the Board's proceedings, No. 4693, dated 21st December 1858.

In Consultation, 29th March 1859, *No.* 1536.

In Consultation, 20th Novr. 1858, *No.* 5234.

2. From a recent report* of the Acting Sub Collector in charge of Masulipatam, it appears that further sums have been paid up making the total collections Rupees 1,598-12 and leaving an unpaid balance of Rupees 1,472-12, the whole of which (with the exception of Rupees 51-8, being the subscriptions of parties dead or not in circumstances to pay), is excepted to be realized before the 1st September next.

**Dated 21st June* 1859, *No.* 108, *in Consultation, 28th June* 1859, *No.* 3080.

From T. A. N. CHASE, Esq., Acting Sub Collector in charge, Masulipatam; to the Secretary to the Board of Revenue, dated 24th June 1859, No. 108.

In reply to the Board's order of the 1st April last, No. 1157, and your official Memo. in reminder thereto of the 9th Instant, I have the honor to observe that the cause of the delay in collecting the subscriptions to the proposed Civil Dispensary has been already explained in Mr. W. Knox's letter to the Board of the 27th November 1858, No. 223.

2. Since the date of that letter, Rupees 788-4 more have been paid up, making the total collection Rupees 1,598-12 and leaving a balance of subscriptions Rupees 1,472-12, the whole of which, with the exception of Rupees 51-8, in all probability will be realized before the 1st of September. The balance consists of Rupees 800 due by the Noozeed Zemindar, Rupees 300 by the Davecotah Zemindar, Rupees 160 by European gentlemen and the rest by Mahomedan and Native gentlemen and four merchants, and there is every probability of all this being paid up within the time specified.

3. The sum of Rupees 51-8, alluded to in the preceding para. is irrecoverable, owing to the death or inability of the parties.

4. The Acting Civil Surgeon reported to me a few days ago that the building now occupied for the Dispensary is very much out of repair and enquired what steps had been taken to build the proposed one.

Transferred to the Public Department, with reference to the order in that Department, dated 18th March 1859, No. 415.

FORT SAINT GEORGE,
18*th July* 1859.

(Signed) J. D. BOURDILLON,
Secretary to Government.

ORDER THEREON, 27th July 1859, No. 1155.

It appears that, of the sum of Rupees 3,071-8 subscribed by the Inhabitants of Masulipatam towards the erection of a Civil Dispensary at that station, Rupees 1,598-12 have been collected and Rupees 1,421-4 are expected to be realized by the 1st September next, a small balance of Rupees 51-8 being irrecoverable.

2. The local contributions having thus amounted to Rupees 3,021, the Government, in pursuance of their resolution of the 17th June 1857, No. 810, sanction the estimated outlay, viz., Rupees 8,000, for the erection, according to the plans submitted, of the proposed Dispensary and, also, of a detached ward for cases of severe disease or of a contagious nature. This work will be included in the next Budget.

3. From the Extract from the Proceedings of the Board of Revenue, dated 28th February 1859, No. 746, it appears that ground suitable for the new Dispensary is procurable for Rupees 300. The Collector will at once take the necessary steps to secure the ground for that sum.
