G.O. No. 1078 Press ~~Mis.~~

Dated 12th August 1859.

Not to be folded or roughly handled

Proceedings of the Madras Government, Revenue Department, from 6th to 12th August 1859.

No. 51. Read the following Proceedings of the Board of Revenue, dated 22d June 1859, No. 2375.

Read the following letter from the Collector of Vizagapatam, dated 28th May 1859, No. 456.

(In Con. 6th June 1859, No. 2584.)

The Collector submits an estimate of the quantity of type and other materials required to render his press complete. He also encloses a statement, shewing the printing establishment he proposes to entertain, and the reductions he would make to meet the charge.

2. In submitting the above letter and its enclosures to Government, with reference to Extract Minutes Consultation, dated 16th April 1859, R. D., No. 546, the Board resolve to recommend that the type and other articles entered in the Collector's estimate, may be supplied by the Superintendent of the Fort Saint George Gazette Press, with the exception of those materials marked as procurable at Vizagapatam.

In Con. 18th April 1859, No. 1768.

3. The establishment proposed, is on a higher scale than those sanctioned for most part of the other Collectorate presses, but as it is explained that Vizagapatam is the head quarters of the Division, and much English work will be required, the Board would allow the arrangements proposed by the Collector to stand. They also approve of the reductions suggested. The Collector will understand that these must be effected at once, in order to avoid an extra charge on the State.

4. The tabular statement submitted by Mr. Reade, is not in the form prescribed by the Circular order of 26th September 1856, page 94. It, however, contains all the required particulars regarding the proposed changes, and as time is an object, the Board resolve to forward it to Government for sanction. They, however, request the Collector to furnish a revised statement in the prescribed form, for record in their office and in that of Government.

No. 52. Proceedings of the Board of Revenue, dated 23d July 1859, No. 2890.

Read letter from the Collector of Vizagapatam, dated 11th July 1859, No. 629.

(In Con. 18th July 1859, No. 3544.)

Resolved that the statement, which accompanied the above letter, be submitted to Government, with reference to the Board's Proceedings datdd 22d ultimo.

2. The alterations proposed in the establishment, to meet the charges of the Press are as follows.
