Diary 12th August 1859

## *Proceedings of the Madras Government, Revenue Department, from 6th to 12th August 1859.*

No. 56. Read the following letter from H. NEWILL, Esq., Director of Revenue Settlement; to J. D. BOURDILLON, Esq., Secretary to Government Revenue Department, Fort Saint George; dated Madras, 25th July 1859, No. 663.

I have the honor to submit the accompanying letter, from the Superintendent of Revenue Survey, dated 23d July 1859, No. $\frac{618}{151}$, in which he recommends, that advances of Rupees 100 should be made to Head Surveyors, and of Rupees 300 to Assistant Superintendents, on their first appointment, to enable them to equip themselves with Ponies, tents, &c., for field duty. This advance, Captain Priestley proposes, should be recovered by ten equal monthly instalments, commencing from the sixth month after they have joined their respective posts.

2. There are at present two European Assistant Superintendents of the lower grade, and four Head Surveyors attached to each party, on salaries of Rupees 225 and Rupees 50 to 100 respectively per mensem. As these officers must necessarily incur considerable expense on taking up their appointments, I have the honor to recommend Captain Priestley's request, to the favorable consideration of Government, and to request that authority may be granted, for the advances, to the extent stated above.

3. The enclosure of Captain Priestley's letter, from his Deputy in Trichinopoly, describes more particularly the necessity for this, to persons joining the department.
