No. 29. From G. L. PRENDERGAST, Esq., Accountant General; to the Secretary to Government; Revenue Department, dated 26th July 1859, No. 131.

The Commissioner of Mysore having enquired of me how he is to charge in his accounts the cost of the 50 Sheep from Mysore Sheep farm supplied to Captain Nelson, under orders of Government dated 23rd November 1855, No. 1285, I have the honor to request you will be good enough to inform me whether the cost of the Sheep is to be borne by Government or Captain Nelson, and if by the latter how it is to be recovered from him.

No. 30. From G. L. PRENDERGAST, Esq., Accountant General; to the Secretary to Government; Revenue Department, dated 6th August 1359, No. 146.

In reply to your Memorandum of the 1st Instant, No. 187, I have the honor to state that the value of the Sheep supplied from the Mysore farm to Captain Nelson is *Rupees 355; and that this amount will have to be paid in cash into the Treasury of the General Government of India in Bangalore to which Government the sheep belong. If Captain Nelson is expected to repay the value of the sheep the cost thereof will be debited to "advances repayable" under the personal head of Captain Nelson and the same head will receive credit on effectuation of the recovery through the Collector of Kurnool in whose district Captain Nelson resides: if the expence is to be borne by the State, the head of "General charges extraordinary" will be debited. In this latter case, the Commissioner of Mysore will have to forward a Bill for the amount to the Civil Auditor, and this when duly audited will have to be sent to this office as the voucher in support of the payment in question in the accounts he renders to this office, and in that case it will be necessary for Government to direct the Civil Auditor to pass the Mysore Commissioner's Bill for Rupees 355 in payment of the 50 Merino Sheep purchased from the Mysore Sheep farm on account of Government.

* *As per letter from Captain Pearse, Officiating Secretary to the Commissioner of Mysore, dated 12th July* 1859, *No.* 469.

No. 31. ORDER THEREON, 16th August 1859, No. 1099.

The Governor in Council resolves to treat the cost of the Merino sheep supplied to Captain Nelson, being Rupees 355, as an advance to that officer, to be recovered on the same terms as the 3,000 Rupees advanced to him under the order of 23rd November 1854, No. 1526.

2. Nearly five years having now elapsed since that advance was made, the Governor in Council further resolves to request the Board of Revenue to ascertain how Captain Nelson's operations have prospered, and what likelihood there is of his being in a condition to commence the repayment of the loan. The result of the trial of Merino sheep should be particularly reported.
