Revenue Department

No 10

Date 4-1-1859

Fort Saint George, Revenue Consultation of 4th January 1859.

No. 18. Read the following Extract from the Proceedings of the Board of Revenue, dated 16th December 1858, No. 4647.

Read letter from the Acting Collector of South Arcot, dated 27th October 1858, No. 186.
(In Con. 16th December 1858, No. 4899.)

Resolved that the above application for a grant of land in support of a Choultry, be submitted for the favorable consideration of Government.

2. Teroovengada Chitty has erected a Choultry at an expense of some Rupees 2,000 for the accommodation of Sudras and Brahmins at the town of Kurinjipadi near where the trunk road from Madras to Trichinopoly bisects the Salem and Cuddalore road. There is but one other Choultry within 9 miles of it, and it has proved of great convenience to the classes for whose accommodation it is designed.

3. The building is evidently of a permanent character and such as is worthy of an endowment from Government, but as it does not provide accommodation for all classes of the community, the Acting Collector recommends and the Board beg to support the recommendation that land of the annual value of Rupees 30 only, being but one half of the usual grant, may be allotted for its maintenance.

(A true Extract.)

(Signed) W. HUDLESTON, *Sub-Secretary.*

No. 19. ORDER THEREON, No. 10; dated 4th January 1859.

The Government resolve to refer the Board of Revenue to their Circular Order dated 11th March 1852, and to direct that its provisions be strictly borne in mind in future in making recommendations to grant waste land as endowments to Choultries.

(Signed) W. H. BAYLEY,

Acting Secretary to Government.
