*Proceedings of the Madras Government, Revenue Department,
from 13th to 19th August 1859.*

No. 40. Read the following Remarks of the Board of Revenue, dated 19th July 1859, on the following tabular statement of a lapsed Yeomiah No. 2831.

No. 1474, From the Collector of Nellore, dated 31st March 1859.

(In Con. 4th April 1859.)

The above yeomiah, (Rupees 7 per mensem), was granted by the Nawab Wallajah, in Higry 1207, A. D. 1792-93, to the father of the deceased incumbent, coupled with the service of teaching the Koran to Mahomedan boys.

2. The deceased has left a large family, viz. two widows, four sons and three unmarried daughters.

3. The first widow, and her only son, had separated from the deceased, and received $1\frac{1}{2}$ Rupees monthly, as maintenance out of the yeomiah.

4. The eldest son of the second wife has performed the service for the last 10 years. Several members of the family desire the continuance of the yeomiah in his name, and the Mahomedan community interested in it, are in favor of this arrangement.

5. In Extract from the Minutes of Consultation, Nos. 972 and 557, dated respectively, 19th August 1854, and 1st May 1858, Government decided, that allowances of the kind reported in his tabular statement, are not themselves, of perpetual character.

6. The Collector recommends that the allowance be commuted by a single payment of Rupees (84 Rupees per annum $\times$ 11 years) 924, to be apportioned as follows:—
Rupees 198 to Goolam Mohaddeen, and his mother, the deceased's first wife; and
Rupees 726 to Mahomed Cassim, eldest son of the second wife, for the support of himself, and the rest of the family.

Total Rs. 924

7. The commutation amount is calculated on the life, (30 years), of Mahomed Cassim-mentioned above, and who has been conducting the duty for his father, for the past 10 years.

8. The Board have ascertained, from the Director of Public Instruction, that there are several schools, (Government and private), in the Nellore District, none of which are very near the village of Cundakoor; the nearest being that at Ramapatam, which is in the receipt of a Grant in-aid, and, apparently, within 15 miles of the village above named. There also appears to be a Government school at Cauvely, a distance of about 20 miles.

9. The proposed commutation is in accordance with the views of Government, as expressed in Extract Minutes Consultation, dated 16th February 1859, No. 211, para. 5; but the Board doubt the justice of this arrangement, unless desired by the parties themselves. The only valid plea, on which the grant could be thus treated, to the prejudice of the Mahomedan community, would, in their opinion, be, the existence of a Government school, affording the people an opportunity of educating their children. The nearest school, however, is 15 miles distant, and is consequently beyond their reach. The Board think, therefore, that the yeomiah should be continued to the second son of the deceased, until this condition is fulfilled.

(By Order.)

No. 41. ORDER THEREON, 18th August 1859, No. 1104.

1. The Board of Revenue submit a tabular list of a lapsed service Yaumiya in the Nellore District. The Yaumiya amounts to Rupees (7) seven per mensem was granted on the 16th Moharrum of 1207 Hiziri for teaching the Kuran to Mahomedan boys and has been held by two generations. The family of the deceased, who was the son of the original grantee, is thus particularized:

1st Widow.
One son.

2nd Widow.
3 Sons.
3 Daughters.

The 1st widow was separated from the deceased who allowed her Rupees $1\frac{1}{2}$ as a maintenance.

*Proceedings of the Madras Government, Revenue Department,
from 13th to 19th August 1859.*

2. The Board are in favor of granting the Yaumiya to Muhammed Qásim, eldest son of the 2nd widow who has performed the duties for the last ten years. They found this recommendation chiefly on the plea that there is no Government school nearer than 15 miles. The Collector on the other hand recommends a ready money payment in a lump once for all, in commutation of the Yaumiya.

3. The Government agree with the Board of Revenue that the conversion of this grant cannot be made without the consent of the parties concerned, who do not agree to it. The Governor in Council sanctions the continuance of the Yaumiya in the name of Muhammed Qásim, eldest son of the deceased by his second wife.
