*Proceedings of the Madras Government, Revenue Department,
from 13th to 19th August 1859.*

No. 55. Read the following Proceedings of the Board of Revenue, dated 10th August 1859, No. 3085.

Read the following letter from the Acting Sub-Collector in charge of Masulipatam, dated 3d June 1859, No. 93.

(In Con. 6th June 1859, No. 2586.)

1. The Acting Sub-Collector in charge submits a Statement in the prescribed form, shewing the alterations proposed in the Moyen Zabithah of his district, to meet the charges of the printing press, and requests that the same may be sanctioned from the date from which the change was made, viz. 1st June 1856, as the Civil Auditor has objected to pass the charge.

2. With the Board's Proceedings of 15th August 1856, they submitted to Government a proposition from the Collector for providing an establishment for his printing press, but the Government withheld their sanction, as the reductions were proposed among classes of servants whose work would not be reduced by the operations of the press.

*Ex. M. C. 2d Sep. 1856, R. D., No. 925,
in Con. 9th Sep. 1856, No. 3453.*

3. The orders of Government were duly communicated to the then Acting Collector, who stated, in reply, that he found it impracticable to make reductions in those departments where the work was lessened by the use of a press, and urged that there was no alternative but to look to other quarters for the required funds. The Board reported the circumstance to Government, but as the revised Moyen Zabithah for the whole district in which provision had been made for the press, was then before them, they proposed taking the subject into consideration with the general Moyen Zabithah.

4. With the Board's Proceedings of the 9th June 1857, they submitted to Government the Collector's Moyen Zabithah for the entire district, in which 70 Rupees were reserved for the press. The Government, however, informed the Board, in reply, that they had deferred the consideration of their proposals for the revision of the establishment of the Masulipatam Collectorate, in consequence of the financial restriction imposed by the Supreme Government.

5. Under these circumstances, and as the arrangements now submitted for sanction were made so far back as June 1856, the Board recommend that they may be sanctioned.

*Govi. Pro. 5th July 1859, R. D., No. 889,
in Con. 6th July 1859, No. 3277.*

6. The Government have recently transferred the Board's Proceedings of 9th June 1857 to Mr. Pelly, for disposal: the future arrangements for the press will, therefore, be subject to those which may be eventually approved upon the report of that gentleman.
