*Proceedings of the Madras Government, Revenue Department,
from 20th to 26th August 1859.*

No. 40. Read the following Proceedings of the Madras Government, in the Military Department.

Read the following letter :—

From the Superintendent of Pensions, Fort Saint George, 11th August 1859, No. 1104; to the, Secretary to Government, Military Department, Fort Saint George.

I have the honor to submit the following case for the orders of Government.

2. On observing that Subadar Sayannah of the 2nd extra Regiment was in charge of Pensioners and holders of Family Certificates at Ramnad, I addressed the Adjutant General of the Army, requesting him to be so good as to inform me, by what authority the Subadar had charge of these offices.

3. The Adjutant General in reply, forwards copy of a letter from the Major General Commanding the Division.

4. I think it better to forward the two letters to Government.

5. It will be observed in para. 2 of the Major General's letter, that the European Officer reported that he had handed over charge to the Salt Amildar—whereas in para. 3, the Native Officer states, that there being no other Officer, he (the Subadar) assumed charge from the European Officer.

6. There is no order in existence that I am aware of, either for or against a Native Officer holding such an appointment, but I beg respectfully and urgently to represent, that as nearly 500 Rupees per month are paid at this Station to Pensioners and holders of Family Certificates, it is necessary that the Officer in charge should be fully capable of performing the duty.

7. As the Subadar signs all the letters, returns, &c. in the Telooogoo character, I presume he is unacquainted with English, and that he is in consequence totally unfit for the responsible duty which he has undertaken.

8. Under these circumstances, I have the honor to request, that arrangements may be made for the duties being performed by an efficient Officer.

ORDER No. 2940, 19th August 1859.

* *Pay and Audit Regulations, Section XVI. para. I, Muster and Muster Rolls, also para. I, Head, Payment of Pensions.*

The Governor in Council observes, that the Regulations* provide for the case submitted by the Superintendent of Pensions, who will accordingly make the required arrangements for the payment of the pensions being transferred to the Civil authorities of the District.

2. In future similar cases, the Superintendent will communicate direct with the Civil authorities under the provisions of the present order.
