No. 7. Read the following letter from J. L. LUSHINGTON, Esq., Civil Auditor; to J. D. BOURDILLON, Esq., Secretary to Government, Revenue Department; dated 24th August 1859, No. 985.

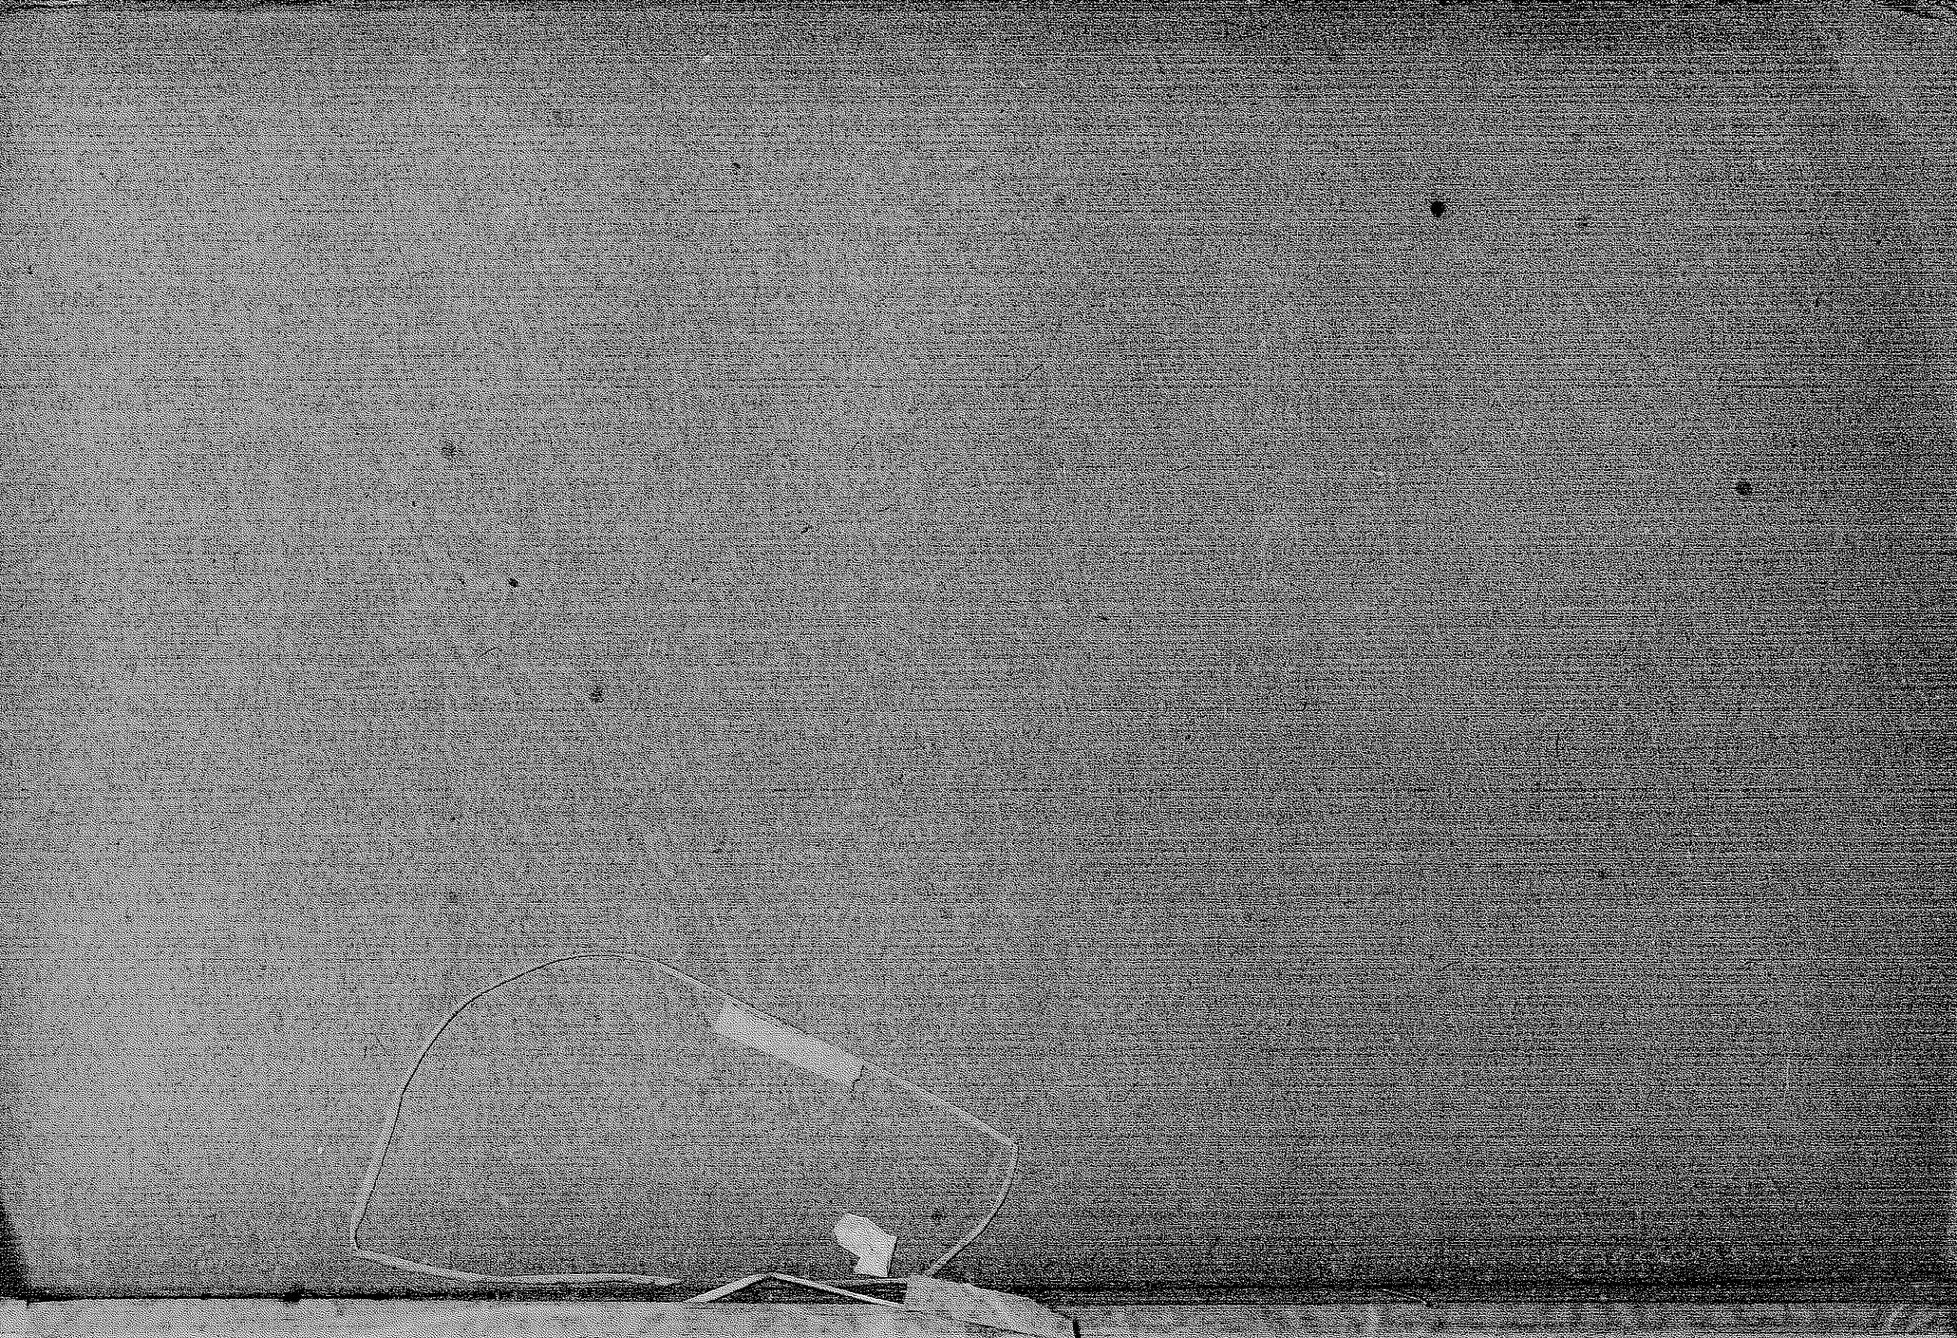

With reference to the order of the Government in the Revenue Department, No. 1114, dated 19th August, calling upon me for a report, as to whether the augmentation in the pay of a Head Sheristadar after certain periods of service, have hitherto been treated as a personal allowance, or can be so regarded under the order of the Government of India dated January 29th of 1847, in the Financial Department, I have the honor to inform you, that these allowances have not hitherto been treated as personal allowances, neither can they in my opinion be so treated, as they are granted not to any particular person; but to every one who has performed certain duties for specified periods; moreover, personal allowances are not included in the pension when calculating the receipts of the retiring officer, previous to obtaining pension, whereas the increased allowances of the Sheristadars are included in the calculation.

These allowances in my opinion should be considered special and not personal.

No. 8. ORDER THEREON, 27th August 1859, No. 1153.

A copy of this letter will be transmitted to Venkata Row, late Head Sheristadar of Kurnool, in reply to his letter of the 7th Instant.

(Signed) J. D. BOURDILLON,
Secretary to Government.
