*Proceedings of the Madras Government, Revenue Department,
from 27th August to 2d September 1859.*

No. 9. Read the following letter from F. B. ELTON, Esq., Collector of Nellore; to J. D. BOURDILLON, Esq., Secretary to Government, Fort Saint George; dated 18th August 1859, No. 25.

I have the honor to bring to the notice of Government that I am unable to furnish the necessary information to the Civil Auditor, and the Chief Engineer, with regard to certain sums charged in the accounts of the late Marummut Department in this district, as the quota of Shrotriums and Enams, which have been found to be irrecoverable; for want of the sanction of Government, to write off those balances which have been reported on as such, in my Shrotrium balance report forwarded to the Board of Revenue under date the 6th of November 1858.

2. I applied again to the Board in a second letter dated 11th June 1859, stating that I lately received from the Civil Auditor the re-audit of the Marummut accounts of 1855-56, in which part of the sum recommended for remission is retrenched, and that it appeared that Government were anxious that the accounts should be speedily settled.

Dated 2d August 1859.

„ 23d July „

3. I have since received a letter from the Civil Auditor in which this sum is again alluded to, and the sanction of higher authority called for. The Chief Engineer has also required whether the amount recommended to be written off has been sanctioned to be remitted, to which I can under these circumstances give no satisfactory reply.

No. 10.

ORDER THEREON, 29th August 1859, No. 1154.

Referred to the Board of Revenue for early report. It is observed that the Collector's report to the Board dated as he says the 6th November 1858, has not yet been laid before Government.
