*Proceedings of the Madras Government, Revenue Department,
from 27th August to 2d September 1859.*

No. 17. Read the following letter from J. L. LUSHINGTON, Esq., Civil Auditor; to J. D. BOURDILLON, Esq., Secretary to Government; R. D., Fort St. George; dated 8th August 1859, No. 911.

Mr. G. N. Taylor, the Inám Commissioner has, in a letter dated 1st instant, requested me to state whether under the orders of Government No. 784 dated 14th June 1859, he is entitled to the fixed Tentage of Rupees 87-8 from the date of assuming his appointment, or from the date of the above Government order.

2. Mr. Taylor's fixed Tentage as Acting Collector of Cuddalore, ceased from the 18th November 1858; but he states that he did not part with his whole suit of Tents for some weeks afterwards, and that he never parted with one large office Tent; and further that he has laid out a considerable sum in the purchase of new ones.

3. The Director of Revenue Settlement, Mr. Taylor, rightly states, drew fixed Tentage under similar circumstances from the date of his appointment, on Mr. Newill's certifying that the prescribed camp equipage had been maintained by him; but the amount was allowed only from date of assumption of office.

4. The two cases appear to me sufficiently analogous to admit of the Tent allowance being passed to Mr. Taylor, from date of his assumption of the Office of Inám Commissioner; but I do not consider myself authorised to pass his Tentage Bills without the express sanction of Government.

No. 18.

ORDER THEREON, 30th August 1859, No. 1158.

The Government authorize the Civil Auditor to pass the fixed Tentage Bills of Mr. G. N. Taylor, from the date of his assuming charge of the office of Inám Commissioner.

(Signed) J. D. BOURDILLON,
Secretary to Government.
