SIR,

In Con. 19th June 1843. With reference to para 3 of the Extract Minutes of Consultation, dated 6th June 1843, No. 596, R. D. 		Total Rupees....	95,069½
		Actual charges for Fusly 1266...	88,361

3. This decrease is chiefly owing to the pay of Jummabundy Goomastahs employed in Fusly 1266 in Tinnevelly, having been disbursed and debited in the accounts of Fusly 1267; to the entertainment of a less number of servants in the salt Department in Chingleput than estimated for; to the non-employment of certain servants in the Survey and Sea Customs Departments in Canara, and of Hungamy Peons for collecting revenue and village Naickwadies in Masulipatam; to its not having been found necessary to employ extra Goomastahs and Peons in Canara to the extent proposed in the estimate; and to the amount sanctioned for an establishment for arranging Records in Nellore not having been incurred in this year.

4. Under the explanations given in the column of Remarks for the increase and decrease in the various items entered in the Statement, the Board of Revenue recommend that sanction be granted for the total Actual charges incurred on account of additional Establishments for Fusly 1266, amounting to Rupees 88,361.

r The cause of this decrease is owing to the pay of the servants employed in Fusly 1265, having been disbursed and debited in the accounts of Fusly 1266,

s s These servants being usually employed were not entered in the estimate of additional Establishments for Fusly 1266. The Board however in Fusly 1267 directed the entry of these charges in future estimates. Hence these increases.

Trifling needs no remark.
