*Proceedings of the Madras Government, Revenue Department,
from 27th August to 2d September 1859.*

No. 25. Read the following letter from Lieutenant Colonel C. DAVIDSON, Resident at Hyderabad; to the Chief Secretary to Government, Fort St. George; dated Hyderabad Residency 20th August 1859, No. 1207.

Adverting to previous correspondence on the subject of the exactions practised on boats in transit from one place to another along the Godavery in His Highness the Nizam's Dominions, I have the honor to state that I this day had an interview with His Highness the Nizam's Minister, who agrees to depute a Munsabdar on the part of the Nizam's Government to settle, in conjunction with an officer of the Madras Government the two most convenient places, one at the upper part of the Godavery River in the Nizam's Territory, and the other at the lower, at either of which places, the five per cent. ad valorem duty on all Imports and Exports according to the treaty of 1802 will be levied, and a pass then given to prevent any further molestation in the way of the exaction of any duties within the Nizam's Dominions.

2. I also requested to know the objection that the Minister had to Salt Depots being placed at different spots on the banks of the river within the Nizam's Territory. He represented in reply that such a measure would lead to interminable disputes that would be difficult of adjustment.

No. 26. ORDER THEREON, 30th August 1859, No. 1162.

The Governor in Council resolves to nominate Captain J. E. Stoddard, recently appointed to report on the means of developing the Salt trade of Rajahmundry, to confer with the officer to be appointed on the part of His Highness the Nizam respecting the object stated in this letter. The Chief Engineer will furnish Captain Stoddard with copies of the correspondence which has passed on the subject; and that officer will report for approval the conclusions arrived at in the conference.

2. The Resident at Hyderabad will be requested to communicate with Captain Stoddard as to the time and place of his meeting the Nizam's officer.

(Signed) J. D. BOURDILLON,
Secretary to Government.

No. 27. From J. D. BOURDILLON, Esq., Secretary to Government, Fort St. George; to Lieutenant Colonel C. DAVIDSON, Resident at Hyderabad; dated 30th August 1859, No. 1163.

In reply to your letter dated 20th August 1859, No. 1207, intimating that the Nizam's Government will depute a Mansabdar to meet an officer to be nominated by this Government, for the purpose of settling the two most convenient places for levying the 5 per cent. ad valorem duty on the traffic passing up and down the Godavery river, I am directed to inform you that this Government have nominated Captain J. E. Stoddard to confer with the Nizam's officer for the object above stated.

2. I am further to request that you will be good enough to communicate with Captain Stoddard at Cocanada, as to the time and place of his meeting the Nizam's officer.
