ORDER THEREON, 30th August 1859, No. 1164.

Looking at the lithograph map of the Bellary district which
• Circular 21st July 1859. has just* been issued by the Chief Engineer, it occurs to Govern-
ment that in two places the boundary of the district to the east-
ward may be improved, viz. at one part in the extreme north east between Bellary and Kurnool,
on the south bank of the Toombuddra; and at another on the Cuddapah frontier east of the
Chittravatty river, where a portion of Bellary juts into Cuddapah and is nearly isolated in it.
The Government resolve to point out these two cases to the Board of Revenue, and to request
them to give their attention to the subject, as it is desirable for the sake of efficient administra-
tion that such irregularities of boundary should be rectified.
