*Proceedings of the Madras Government, Revenue Department,
from 27th August to 2d September 1859.*

No. 29.

PROCEEDINGS of the MADRAS GOVERNMENT.

Dated the 31st August 1859, No. 1165.

By the order of Government of October 15th 1855, No. 1151, the superintendence of the survey of the Madras Collectorate was vested in the Superintending Engineer of the Centre Circle. Captain Collyer in that capacity made one report to the Board of Revenue on the survey, which was reviewed by Government in an order of the 25th April 1856, No. 409; but it does not appear that any subsequent reports have been made on the subject by the Superintending Engineers successively in charge of the Central Circle, and the Government are not aware to what extent those officers have exercised supervision over the immediate Surveyor, or in what respect the latter is under any professional supervision at all.

2. The Governor in Council resolves therefore to call on the present Deputy Chief Engineer of the Centre Circle to report fully on the subject, stating what progress has been made in the survey up to the present time, and giving his opinion after due examination, as to the manner in which it has been and is conducted, and the degree of confidence to be placed in it.

(Signed) J. D. BOURDILLON,
Secretary to Government.
