Proceedings of the Madras Government, Revenue Department, from 27th August to 2d September 1859.

No. 38. Read the following letter from Captain G. WINSCOM, Principal, Civil Engineering College; to J. D. BOURDILLON, Esq., Secretary to Government Public Works Department, dated Chepauk, 27th August 1859, No. 534.

With reference to the Government Proceedings and order thereon No. 845, dated 25th June 1859, I have the honor to inform you that on the 8th and 9th Instant the desired examination of Candidates for Probationary Assistant Surveyorships, was held by me and the results have since been communicated through Mr. Newill to Government.

2. As this examination, like that for the Uncovenanted Civil Service, is, I believe extraneous to my duties as Principal of the Civil Engineering College, I would respectfully beg to apply for such remuneration as Examiner, as the Government may see fit to order.

No. 39. ORDER THEREON, 1st September 1859, No. 1170.

Para. 1. In this letter the Principal of the Engineering College applies for remuneration for having examined certain Candidates for the post of Probationary Assistant Surveyor, on the ground that this employment was foreign to his duty as Principal of the Engineering College.

2. Although not forming part of Captain Winscom's ordinary duties, the service in question was analogous to them, and was therefore properly assigned to him. The Members of the Board of Examiners for Civil servants and of the Military Committees of examination are not paid; and the only exception to this rule is in the case of the Examiners for the Uncovenanted service, and that owing to the large number of the candidates to be examined and the great labor involved. The Government resolve therefore to inform Captain Winscom that his claim cannot be admitted but that they duly appreciate the service performed by him.

(Signed) J. D. BOURDILLON,
Secretary to Government.
