Revenue DEPARTMENT.

G.O. No.	1172	Press Mis.
Dated 2nd September 18 59.		

Not to be folded or roughly handled

*Proceedings of the Madras Government, Revenue Department,
from 27th August to 2d September 1859.*

No. 42. Read the following Proceedings of the Board of Revenue, dated 22d August 1859, No. 3311.

Read letter from the Collector of Kurnool, dated 2d August 1859, No. 98, submitting a statement of the quantity of Teloo goo type required for his Collectorate press.

(In Con. 11th August 1859, No. 4022.)

Resolved that the foregoing letter and its accompaniment be submitted to Government, with reference to Extract Minutes Consultation, dated 12th July 1859, R. D., No. 924.

2. The Board doubt whether the printers at the Kurnool press are sufficiently qualified to frame an estimate exhibiting the quantity of each character that will be required. The founts made up by typefounders contain such quantities of the different characters as experience has shewn to be the average proportions used in practical operations.

3. The Board have little confidence in the estimate furnished by the Collector, who has omitted, probably from ignorance of prices, the probable cost of the type and materials applied for. The Board would recommend, as the safest course, that the Superintendent of the Fort Saint George Gazette Press should be instructed to supply the Collector of Kurnool with a complete fount of Teloo goo type similar in all respects to that furnished by him to the Collectors of other districts.

(A true Extract.)

(Signed) J. D. SIM, *Secretary.*

No. 43. ORDER THEREON, 1st September 1859, No. 1172.

The Board of Revenue will be good enough to submit a regular estimate shewing the quantity and value of the type required.

(Signed) J. D. BOURDILLON,
Secretary to Government.
