Proceedings of the Madras Government, Revenue Department, from 3d to 9th September 1859.

No. 41. Read the following letter from J. L. LUSHINGTON, Esq., Civil Auditor; to J. D. BOURDILLON, Esq., Secretary to Government Revenue Department, dated 3rd September 1859, No. 1031.

In returning the pay Abstract of your Establishment for last month, I have the honor to observe that as the additional Establishment sanctioned in the orders of the Government of India of the 27th May last, has been sanctioned only as a temporary measure, the amount should have been drawn separately from that of the fixed Establishment, as it is important for several purposes of this office, that I should be able to distinguish the charges passed on account of fixed from those for temporary Establishment; I request therefore you will be so good as to forward revised bills, one for the permanent Establishment, and another in duplicate for that recently sanctioned.

No. 42. ORDER THEREON, 8th September 1859, No. 1205.

31*st May* 1859. Resolved that the Civil Auditor be informed that the addition recently sanctioned by the Government of India for the establishment of the Revenue and Public Works Departments of the Secretariat is not temporary in the sense understood by him. The addition was granted as a permanent measure with the proviso that a report should be made after a trial of one year whether the change in the Home correspondence lately introduced might not make a reduction practicable. The Government have only ordered the present appropriation of a portion of the increase authorized on the ground of the change alluded to and the re-classification of the establishment has been so* made that it will not be practicable to separate the two sums permanent and temporary. The Civil Auditor is therefore directed to pass without further delay the salary of the establishment in question in one Abstract only, taking care that the aggregate amount does not exceed Rupees (3,926) three thousand nine hundred and twenty-six.

* *Under the order dated 11th August 1859, No. 1075.*

(Signed) J. D. BOURDILLON,
Secretary to Government.
