To

Captain F. W. Westley
Superintendent Rev. Survey

To

M. A. Willcox
Director of Rev. Settlement.

Sir,

By the accompanying extract from the No. of the Chief Engineer in the C. P. M. dated 24th August 1889 you will perceive that accommodation for my office in the Champa Palace will not be ready until the end of the year.

2. The rooms in my own house which I have hitherto assigned to my office establishment are not nearly large enough for the purpose, in addition to this the repairs necessary to be made before the monsoon cannot be made by my landlord until the rooms referred to are vacated.

3. Under these circumstances I trust that the permission of Govt will be granted to my occupying a house in Puzapattana as a temporary office at a rent of 70 Rs per annum.

4. A copy of the report of the Civil Architect on the house in question is appended. This officer considers the rent fair and that the house is in a state of repair sufficient to warrant its being used as a temporary office.

I have the honor to be

Yours most obedient Servant
